

A meeting of the **BUTE AND COWAL LOCAL AREA COMMUNITY PLANNING GROUP** will be held in **CASTLE HOUSE, CASTLE GARDENS, DUNOON** on **WEDNESDAY, 6 JUNE 2012** at **1:30 PM**.

AGENDA

1. **APOLOGIES**
2. **MINUTES OF MEETING OF 14TH MARCH 2012**(Pages 1 - 6)
3. **PARTNERSHIP UPDATES**
4. **ISSUES RAISED BY THE CAUCUS OF COMMUNITY COUNCILS**
Mutual Communication between LACPG/ Council Officers/ Caucus Community Councils as and when necessary.

School Catchment Areas. – Maggie McLay, Education Service

New Event Licence /PPSL. – Charles Reppke, Governance & Law

Roads Issues – Capital Programme. – Callum Robertson, Roads & Amenity Services
5. **ISSUES RAISED BY THIRD SECTOR FORUM**
Change Fund – Pat Tyrell, NHS Highland
6. **RESHAPING OLDER PEOPLE'S SERVICES**
NHS Highland – Lorraine Paterson
7. **NEW COMMUNITY PLAN**
Argyll & Bute Council – Eileen Wilson, Improvement & HR (Pages 7 - 34)
8. **CRITICAL ACTIVITY RECOVERY PLAN**
Argyll & Bute Council – Kate Connelly, Governance & Law
9. **COMMUNITY SAFETY**
Argyll & Bute Council – Shirley MacLeod, Governance & Law (Pages 35 - 36)

10. UPDATE FROM THEMATIC GROUPS

Argyll & Bute Council – Governance and Law

Social Affairs

Environment

Economy

Third Sector & Communities (Pages 37 - 44)

**MINUTES of MEETING of BUTE AND COWAL AREA COMMUNITY PLANNING GROUP held
in the CASTLE HOUSE, CASTLE GARDENS, DUNOON
on WEDNESDAY, 14 MARCH 2012**

Present: Councillor B Marshall (Chair)

Councillor J McQueen
Shirley MacLeod, Area Governance Manager
Chief Inspector Mosley, Strathclyde Police
Mark Wilson, Local Authority Liaison Officer
Andrew Maclure, Strathclyde Fire and Rescue
Liz Marion, Senior Community Learning & Development Worker
Alison McCrossan, Scottish Health Council
Alistair McLaren, Argyll Voluntary Action
Katrina Sayer, Argyll Voluntary Action
Vicky Neville, Community Development Ranger
Alistair MacGregor, ACHA
Iona MacPhail, ACHA
Sue Minns, Kilmun Community Council
Eleanor Stevenson, South Cowal Community Council
Archie Reid, Strachur Community Council
Fiona McGlin, Sandbank Community Council
Chris Lambert, Hunter's Quay Community Council
Lorna Ahlquist, CCCG
Louise Cassidy, HELP
Jodie Malone, HELP
Sarah Long, HELP

1. APOLOGIES

Apologies for absence were intimated on behalf of the following:-

Councillor R Macintyre
Councillor A McNaughton
Councillor L Scoullar
Councillor R Simon
Councillor I Strong
Councillor J R Walsh
Sandy Mactaggart, Link Director
Lorraine Paterson, NHS Highland
Janet MacKellar, HELP
Anne Gabriel, Dunoon Community Council

2. MINUTES

(a) MINUTES OF MEETING OF 10TH JANUARY 2012

The Minutes of the Meeting of 10th January 2012 were agreed as a correct record.

**3. VIEWPOINT FEEDBACK FOR BUTE, COWAL AND DUNOON
(AGENDA ITEM 6)**

Jodie Malone and Sarah Long spoke on how they became involved in Women into Public Life Training. They spoke on the Viewpoint drama which took place in Strachur which had funding support from Argyll and Islands Leader Programme and Working and Learning Together. Jodie and Sarah spoke on what was discussed at this event including transport, poverty and services which included lack of housing, employment etc, they advised that housing, employment and education and affordable childcare were the most important issues for young women.

Liz Marion explained that there had been two other events held, one in Rothesay and Dunoon.

Decision

The Group thanks Jodie and Sarah for their presentation and agreed that the current Consultation on Rural Housing would be circulated to all Community Councils in Argyll and Bute and Chief Inspector Mosley by ACHA via the Council's Governance & Law Staff.

4. UPDATE PRESENTATION ON FORESTRY FOR PEOPLE

Vicky Neville, Community Development Ranger, spoke on the progress made with the Forestry for People initiative. She spoke on the promotion of the Bishop's and Morag's Fairy glens, organising community activities, development links between the project and schools, ongoing maintenance, outdoor and environmental activities and the planning, monitoring and maintenance of the areas. She spoke on the projects lined up for the next 6 months including the continuation of the woodland gym, employment programme and volunteer work.

The Group asked questions on the activities being held in the Glens and received advice.

Decision

The Group thanked Vicky for her presentation and agreed to circulate her contact details.

5. ACHA UPDATE

Members heard from Alistair MacGregor on the investment programme in Bute & Cowal for 2012 and initiatives ACHA will be taking forward including affordable housing in Ardenslate and Lochgoilhead, modernisation at Massan View, Colintrave, Regent and Salisbury Terrace, roof and roughcast works in Rothesay and Dunoon. Alistair also spoke on the introduction of the Allpay system, Good Garden and Good Neighbour schemes, the SHIP submission to the Scottish Government and the Welfare Rights Service. He further spoke on ACHA being a charity, the Community Action Fund, Rural Housing Development Fund

and the Pressured Area Designation being in place.

Decision

Several questions having been put and answered, the Group noted the information provided.

Councillor McQueen, Louise Cassidy, Sarah Long, Jodie Malone, Alastair MacGregor and Iona MacPhail intimated their apologies and left the meeting at this stage.

6. TESSA WORKSHOP PRESENTATION

This item was postponed to the next Local Area Community Planning Group meeting.

7. ISSUES FROM COWAL THIRD SECTOR FORUM

Lorna Ahlquist spoke on the Coproduction workshop taking place on 26th March aimed at disabled people.

Lorna also advised that there are a number of directories being produced at the moment including Mental Health, Dementia, Crossroads etc. and she spoke on the advice network inter agency referral service being a useful toolkit.

Lorna spoke on the Change Fund saying it was to help vulnerable people in the communities.

She further spoke on the Cowal 24/7 review which is the review of out of ours and GP hospital services. Chief Inspector Mosley and Andrew Maclure expressed their concerns the impact of this review would have to blue light services.

Decision

The Group noted the information provided and agreed to put the Change Fund on the next agenda.

8. ROLE OF PARTNERS WITHIN LACPG & ROADS IN BUTE & COWAL (AGENDA ITEMS 8 & 9)

Councillor Marshall said the LACPG was about groups in the communities bringing things to the meeting.

Sue Minns advised that the Caucus was struggling to work, they needed more members to attend. She explained the Head of Governance and Law had attended the last Caucus meeting and it was a very productive. She advised they would like Council Officer to attend meetings to give advice on roads issues etc. Councillor Marshall felt that Roads issues should be coming to the LACPG agenda and not the Caucus and the Group discussed this.

Decision

It was agreed that an Officer from Governance & Law would attend the next Caucus meeting and strategic issues would be discussed at LACPG level but smaller ones would be discussed and hopefully resolved at the Caucus.

9. PARKING IN ARGYLL STREET AND FERRY BRAE (AGENDA ITEM 11)

Archie Reid expressed his concerns on people parking all day on Ferry Brae when it is a 30min only area. He said it is starting to affect his business and has got progressively worse since the Traffic Warden has left.

Chief Inspector Mosley advised that it was a question of priorities with the resources he had. Mark Wilson advised the Police are in the process of developing a Business Plan to allow the Council to issue parking fines. He explained that it was a lengthy process where all parking needs to be de-criminalised and then re-legislated to allow for the Council to take it on. This is being done at Senior Officer and Executive Level and will take a further 18 months to materialise. Chief Inspector Mosley advised he would make sure the Police take Ferry Brae into account when they are doing their rounds.

10. BETTER COMMUNITY ENGAGEMENT RESOURCE PACK

Liz Marion spoke on the Better Community Engagement Resource Pack, advising on who it was for, what it was for and why it has been produced. She spoke on the tools contained in the pack and how it is all linked to Community Planning. Liz advised the pack will be put on the Council's website and if anybody wished a cd or printed pack to contact her.

Decision

The Group thanked Liz for her presentation and noted the information provided.

11. INVOLVING TO DEVOLVING PROJECT

Katrina Sayer spoke on the Involving to Devolving project that is based on participatory involvement. She advised that AVA are speaking to patrons but do not want to duplicate work, their aim is to fill the gaps and identify areas needing increased capacity.

Alistair McLaren advised he had sent a letter to the Community Council's and spoke on the Timebank.

Sue Minns advised the events diary was very useful and Chief Inspector Mosley said it was economically sustainable to have more attractions on different days rather than all on one day.

Decision

The Group noted the information provided.

12. FEEDBACK FROM SELF ASSESSMENT

The Area Governance Manager spoke on the self assessment that was discussed at the local community planning in August and November 2011. The Group discussed the findings and the timings of the meetings along with video conferencing facilities. They also discussed the need for the business sector to link into the LACPG and to feed back any contacts to the Area Governance Manager.

The Area Governance Manger also spoke on the strategic partner linkages and said this would come to the next meeting.

Decision

The Group agreed to:-

- i. Try alternating the time of the meetings.
- ii. Try to keep agendas as short as possible.
- iii. Try using the video conference facilities.

13. UPDATE FROM THEMATIC GROUPS

The Area Governance Manager updated the Group on the work being carried out by the three Thematic Groups.

Decision

The Group noted the information provided.

14. PARTNER UPDATES

Andrew Maclure spoke on Strathclyde Fire & Rescue trying to promote Home Fire Safety Visits. He spoke on the people most at risk of fires and explained the visits are free of charge and SFR will fit smoke detectors if needed. He urged people to ask their clients to contact SFR on the free phone number 0800 0731 999, the website or via any fire station.

15. DATES FOR RESCHEDULED JUNE LACPG

The Area Governance Manager advised the Group that they should consider postponing the meeting scheduled for 1st May to June due to the Local Government Elections being held on 3rd May 2012.

Decision

The Group agreed a suitable date in June would be distributed after the Local Government Elections.

Argyll and Bute Community Planning Partnership is committed to promoting equality

Key Principles:

- no-one is disadvantaged because of their race or ethnic origin, disability, gender, age, sexual orientation, or religion and belief
- the differences between people are valued and good relations between groups are promoted
- people are treated fairly and with equal respect
- informed assessments are made on the impact of policies and services
- people are involved in the decisions that affect them and encouraged to participate in public life

Foreword

argyll and bute
communityplanningpartnership

Foreword from Chair of CPP and Management Committee.

As Chairs of the Argyll and Bute Community Planning Partnership and Management Committee, we are delighted to introduce this new Community Plan and Single Outcome Agreement that brings together our joint priorities for service delivery in Argyll and Bute.

This is an important time for the public sector, when joint working, cooperation and collaboration is essential to making sure that quality services continue to be delivered efficiently to the people of Argyll and

Cllr Dick Walsh

Derek Leslie

Bute in what is a highly challenging financial environment facing the public and voluntary sectors. From the strategic issues around the integration of health and social care to the local issues of community development and individual volunteering, we all have an important role to play. This document sets out the framework and the priorities for us all to deliver together.

Our focus continues to be on the four main themes that are central to Argyll and Bute: the Economy, Social Affairs, the Environment and our Communities and 3rd Sector. As partners, we are delivering on many important and exciting service improvements, with investment in our towns through the £30m CHORD Programme and the development of significant renewable energy hubs, working closely with communities through the Argyll and Bute Renewables Alliance. We are clear that the economy is a key driver for ensuring that our communities and our young people have a strong and sustainable future. Our agenda for taking early action to support people at risk in our communities is also a clear priority, ensuring that our health, education and social care services are closely aligned.

In these challenging times, effective partnership working is fundamental and this Plan sets out a clear path for us to take together.

Councillor Dick Walsh, Argyll and Bute Council, Chair of the Community Planning Partnership

Derek Leslie, General Manager, Argyll and Bute Community Health Partnership, Chair of the Community Planning Management Committee

argyll and bute
communityplanningpartnership

1: Introduction

Community Planning is a process whereby public agencies and other key stakeholders work together to deliver better services and, through representation and participation, involve people and communities in the decisions that affect them most.

The **Scottish Government** and **Argyll and Bute Community Planning Partnership** entered into a new relationship with the Concordat agreed in November 2007. An agreement based upon mutual respect and commitment to shared objectives. The **Single Outcome Agreement** was at the core of that new relationship and reflected the spirit of partnership working in Argyll and Bute. Argyll and Bute's first Single Outcome Agreement was agreed with the Scottish Government in August 2009 and covered three years, from 2009 to 2012, highlighting outcomes to be achieved in that period.

This combined **Community Plan** and **Single Outcome Agreement 2012-2013** will bridge the one year from the end of the Single Outcome Agreement period to the end of the current Community Plan timeframe. This one year plan will continue to ensure that Argyll and Bute contributes to the delivery of the Government's 15 national outcomes and delivers better outcomes for our communities.

The **Argyll and Bute Community Planning Partnership** is focused on what residents have told us is most important to them. This one year combined Community Plan and Single Outcome Agreement sets out the overall direction and vision for the area until 2013 together with our approach to the main issues that face Argyll and Bute. All the partners are committed to this one year plan and each partner has reflected the key issues in their own plans as appropriate.

Delivery through Partnership

The Argyll and Bute Community Planning Partnership is responsible for delivering the Community Plan and Single Outcome Agreement (SOA). This combined plan will be monitored through the Community Planning Partnership's Thematic Groups and by the Management Committee, making sure that that the Community Planning Partnership delivers outcomes.

The vision for community planning in Argyll and Bute is:

Realising Our Potential Together

The core values underpinning this vision are that:

We involve and listen to our customers and communities

We take pride in delivering best value services

We are open, honest, fair and inclusive

We respect and value everyone

Consulting Communities

Through the Argyll and Bute Citizens' Panel and local consultation events the CPP asks about issues affecting communities. Last year you told us that you wanted front line services protected and savings should be made in non essential functions such as travel, subsistence, venue hire and advertising and that there should be increases in fees and other charges. You also told us that more money needed to be spent on our roads and as a result of that an additional £15m was committed over three years.

2: Local Context

argyll and bute
communityplanningpartnership

About Argyll and Bute

Argyll and Bute is an area of outstanding beauty and varied geography stretching from the main urban area of Helensburgh in the east to the island of Tiree in the West.

The area's population of 89,200 is spread across the second largest local authority area in Scotland and has the third sparsest population density, with an average population density of just 0.13 persons per hectare. Seventeen per cent of Argyll and Bute's population live on Islands. Forty-five per cent live in settlements of 3,000 or more people; conversely, 55 per cent of Argyll and Bute's population live in settlements smaller than 3,000 people, or outwith settlements altogether. 80 per cent of Argyll and Bute's population live within one kilometre of the coast.

Argyll and Bute has 25 inhabited islands, including Bute, Islay, Jura, Mull, Iona, Coll and Tiree, more than any other local authority in Scotland. The area is also home to Loch Awe (at 41 kilometres, the longest freshwater body in Britain) and several long sea lochs, which bisect the landscape.

The importance of the natural environment is indicated by the 120 Sites of Special Scientific Interest that have been designated within the area. Combined, these cover almost ten per cent of Argyll and Bute's land area. Additionally, almost thirty per cent of the Loch Lomond and the Trossachs National Park area falls within the area.

The People

The changing demographic profile of the area presents one of the area's greatest challenges. Over the twenty-five year period from 2008, the proportion of 0-15 year olds is projected to fall by almost 14%, working age population by almost 14%, and the proportion of the population of pensionable age to increase by 20%. Average gross weekly pay for fulltime workers is lower in Argyll and Bute than in Scotland (£470.20, compared to a Scottish average of £486.90). An estimated 15 per cent of jobs in Argyll and Bute are tourism-related. This compares to 9 per cent of Scottish jobs. Service sector jobs account for 86 per cent of all employee jobs in Argyll and Bute, compared to 82 per cent across Scotland. Thirty-four per cent of employee jobs in Argyll and Bute are in 'public administration, education and health'. This compares to 32 per cent for Scotland.

Our challenges

The key challenges we face relate to:

- **our geography** – a highly rural area with many small communities, often separated by water. Access to the area and to key services are perennial challenges
- **changing population** – with more extremes than most of Scotland and the differences are getting greater we face increasing costs and challenges to deliver services to older people and the need to encourage young people to move to the area so that our economy can grow
- **people on the fringe** – many of our communities are very isolated and risk collapsing as population changes take affect alongside urban communities where deprivation can create real hardships
- **the financial pressure on public services** as we have to find efficiencies for services directed to communities that are costly to support

2: Argyll and Bute Community Planning Partnership

argyll and bute
communityplanningpartnership

The Argyll and Bute Community Planning Partnership

The Partnership was set up in 2001 to coordinate the delivery of services and other activities in Argyll and Bute to improve the quality of life and physical environment for residents and visitors to the area. The Partnership consists of a number of groups:

The Full Partnership

-this is the body that provides the governance – the overall leadership and representation to ensure that the different groups and organisations that make up the Partnership are focused on the community’s priorities. It is chaired by the Leader of the Council, the person with the clearest democratic authority in the area.

The Management Committee

-this is the decision-making body for the Partnership. Partner organisations chair the Committee on a rotational basis.

The Management Committee meets every two months and brings together the organisations with the most significant influence on service delivery in Argyll and Bute.

The Management Committee ensures that the work of the Partnership has the leadership and capacity to do its job.

Thematic Groups

-these groups coordinate the activities of relevant members of the Partnership to ensure that the plan agreed by the Full Partnership is delivered. This plan sets out the community planning partnership’s priorities under the 4 themes of: Economy; Environment; Social Affairs and Third Sector and Communities.

Strategic Partnerships

-there are a number of strategic partnerships in Argyll and Bute helping deliver Community Planning outcomes.

Local Community Planning

-these local partnerships are made up of local representatives of Community Planning Partners and local communities.

3: CPP Themes and National Outcomes

4: Economy

argyll and bute
communityplanningpartnership

CHORD The Council is progressing well with its ambitious programme of regeneration in the five towns of **C**ampbeltown, **H**elensburgh, **O**ban, **R**othesay and **D**unoon (CHORD). Projects currently being implemented include Townscape Heritage Initiative's (THI) in Campbeltown and Rothesay and the Kinloch Road Regeneration project in Campbeltown. The plans to revitalise Helensburgh's town centre and esplanade should begin in early 2012. We are working to secure capital

funding for Rothesay Pavilion and continue to develop the business cases for the remaining projects within the programme, such as Dunoon and Oban.

The refurbishment of this prominent shopfront in Campbeltown has significantly enhanced the streetscape, bringing vacant floorspace back into use and creating employment.

Works included: Removal of existing board and reinstatement of left hand window; timber repairs to all windows; refurbishment of all doors to both elevations; removal of all redundant signage and cabling; redecoration of all elevations including render, windows, doors, and security bars. The works were completed in August 2011.

More information available at — <http://www.argyll-bute.gov.uk/content/chord-town-centre-regeneration-projects>

Inward Investment - Kintyre

2012 will see the re-opening of the Royal and Ugadale hotels in Kintyre after extensive refurbishment by the US based Southworth Developments Group. This significant investment which is being supported by the European Regional Development Fund and grant assistance from Highlands and Islands Enterprise (HIE) to reflect its importance to the wider local economy will build on the success the Group has already had in establishing the international reputation of the Machrihanish Dunes golf course.

Kintyre's role as a centre for the renewables industry has been restored after a joint venture between Scottish and Southern Energy and Marsh Wind Technology acquired the former Skykon factory. Production of towers for the Clyde Wind Farm has now recommenced retaining 85 jobs at the plant in Campbeltown. To secure this investment HIE is providing funding of £3.4million and Argyll and Bute Council is committing up to £12million to upgrade Campbeltown port and local roads. The inclusion of the area in the National Renewables Infrastructure Plan opens up opportunities for the growth and development of supply chain businesses.

argyll and bute
communityplanningpartnership

4: Economy

Argyll and Bute Renewables Alliance (ABRA)

The Argyll and Bute Renewables Alliance (ABRA) was developed from a key action identified in the REAP. ABRA brings together key partners including Argyll and Bute Council, Highlands and Islands Enterprise, Scottish Government, Marine Scotland, Scottish Power Renewables, Scottish and Southern Energy, Crown Estate Commission, Scottish Natural Heritage and Skills Development Scotland.

ABRA will ensure a strategic overview of renewable development, and a greater awareness of all the issues relating to this development across Argyll and Bute and Scotland, as well as assist with implementation of the REAP. Partners will identify options for coordinated and joined up discussions between public and private sectors, to allow for alignment of partner plans, objectives and future investment, to realise collective requirements in order to overcome barriers to development and maximise the opportunities presented by this industry, in order to achieve our vision as outlined by the REAP.

Argyll College Engineering Training Centre

In 2012 Argyll College will be opening a brand new, purpose built engineering facility adjacent to the current construction skills training centre in Lochgilphead. The new facility will enable Argyll College to deliver engineering based training in Argyll for the first time. Electrical, Mechanical, Engineering and Welding courses will all be delivered from the new training centre. The centre will also focus on skills specific to the development renewable in Argyll and Bute.

LEADER

Leader is part of the Scotland Rural Development Programme (SRDP). LEADER is a bottom - up method of delivering support for rural development. With an ethos of strong partnership working and community empowerment, the Argyll and the Islands LEADER Local Action Group continues to fund new and innovative projects to support sustainable, community-based development and growth of rural communi-

ties throughout the area.

In a time of economic uncertainty and despite the reduced availability of match funding, our communities continue to show innovation and drive to progress the sustainability of our area. During April 2010 – March 2011, Argyll and the Islands LEADER partnership has successfully contributed £1,531,443 of grant funding to 57 projects, under the themes of Revitalising Communities and Progressive Rural Economy

5: Environment

Argyll and Bute is an area of great natural beauty and diversity. We have huge natural potential for energy generation, food and drink, leisure and tourism. We need to develop the area further, whilst protecting and enhancing what makes it attractive.

Argyll and Bute Renewable Energy Action Plan

(CPP CP02: Sustainable Economic Assets – Maximise economic benefits from renewable energy sector; Agreement of 'Renewables Action Plan' for Argyll and Bute to promote economic development).

The Argyll and Bute Renewable Energy Action Plan (REAP), endorsed by the Executive Committee 12th August 2010, was developed from a key action in the Argyll and Bute Community Plan 2009-2013. The Renewable Energy sector is increasingly being recognised as a significant driver of Scotland's future economic success. The REAP recognises the potential of Argyll and Bute's abundant renewable resource, and provides a framework to facilitate a co-ordinated partnership approach in order to realise the potential of our sustainable economic assets, in contributing toward future economic development for Argyll and Bute and Scotland. It outlines our vision, and actions to achieve this, which seeks to ensure:

“Argyll and Bute will be at the heart of renewable energy development in Scotland by taking full advantage of its unique and significant mix of indigenous renewable resources and maximising the opportunities for sustainable economic growth for the benefit of its communities and Scotland.”

For more information on the Renewable Energy Action Plan visit - <http://www.argyll-bute.gov.uk/planning-and-environment/renewable-energy-action-plan>

Wildlife Tourism

Wildlife Tourism is a growing part of the tourist industry in Argyll and Bute. As fishing and agricultural industries struggle, specialist sectors, such as whale-watching and sea eagle-watching, can attract tourists to our remote and rural areas, contributing to the local economy.

Marine and land based wildlife tourism is well-established on Mull and a range of trips are on offer to visitors, including those related to the Sea Eagle project.

Wildlife Tourism brings a range of social and economic benefits to the wider local community. Local boat operators, local food producers, accommodation providers and local artists are among some of those who benefit from people visiting the area, staying longer and spending more money. This is recognised in the Woodland and Forestry Strategy which seeks to further develop woodlands' contribution to tourism and recreation in Argyll and Bute.

5: Environment

argyll and bute
communityplanningpartnership

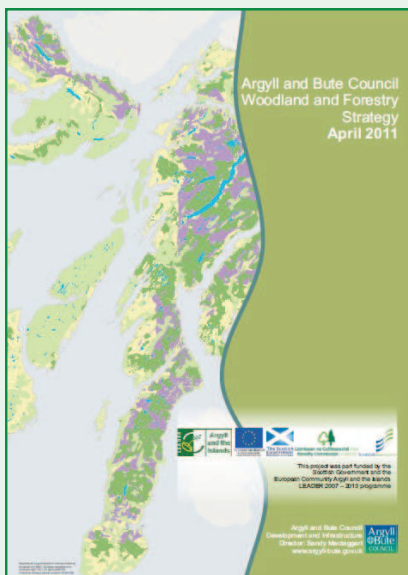

Argyll and Bute Core Paths Plan

The Finalised draft of the Core Paths Plan was published in January 2011 and the Outdoor Access Team is now trying to resolve some of the 140 objections to Paths and Launching Points. It is expected that a Public Local Inquiry (PLI) into the remaining objections will be required during 2012. At present 981 miles of Core Paths, 172 Launching Points, 381 and miles of Aspirational paths will be included in the final Plan with this figure likely to rise following the PLI. Moving forward the team will start to survey the network and begin the process of prioritising future investment in path improvements. The initial priorities will be to ensure the safety of structures including bridges followed by the installation of signage and way markers.

For more information on the Core Path Plan visit - <http://www.argyll-bute.gov.uk/planning-and-environment/core-path-planning>

Woodland and Forestry Strategy

Forests and woodland cover over 30% of the land area of Argyll and Bute, and as such, impact on many aspects of our lives.

The strategy provides an overall picture of the resource and its related issues. It sets out what we would like our woodlands to look like over the next 50 years in our area, and how we can make the most of them

so that they contribute to our local economy, to the environment, our rich heritage, and to the quality of life for our communities and residents. It contains an Action Plan which is linked to Scottish Rural Development Programme funding.

The Argyll and Bute Woodlands and Forestry Strategy was commissioned by Argyll and Bute Council and Forestry Commission Scotland. Funding support was also given by Argyll and the Islands LEADER, and Scottish Enterprise.

For more information on the Woodland and Forestry Strategy visit - <http://www.argyll-bute.gov.uk/woodland>

Research and Information

The Community Planning Partnership has access to many sources of demographic data and other statistical information. Population statistics and projections, in conjunction with other information, help the CPP to ensure services are delivered where they are needed and to plan for future changes in needs.

Population Projections

Over the 2008-2033 period, the total population of Scotland is projected to increase from 5,168,500 to 5,544,410. However, the sub-national projections indicate that there will be regional variations within Scotland. Of the 32 Scottish Local Authorities, 19 are expected to show population growth and 13 – including Argyll and Bute – are expected to experience population decline.

figure 1

This graph (figure 1) shows the projections from 2008 to 2033.

As well as absolute population numbers in Argyll and Bute changing (falling from 90,500 to 85,383 over the projection period), the age profile of the population is expected to change, with proportions of 0 to 15s and working age populations decreasing, and the proportions of the pensionable-age population increasing

Population by Area

This diagram (figure 2) shows the population breakdown for Argyll and Bute as a whole and also for the four administrative areas.

The age profiles of the different areas means that the needs will be different in each area. Knowing this information helps us to deliver services where they are needed.

figure 2

6: Social Affairs

Curriculum for Excellence

Curriculum for Excellence aims to achieve a transformation in Education in Scotland by providing a coherent, more flexible and enriched curriculum from 3 to 18.

The curriculum includes all of the experiences that are planned for children and young people through their education. The 3-18 curriculum children and young people the attributes, knowledge need to flourish in life,

aims to ensure that all in Scotland develop and skills they will learning and work. The knowledge, skills and attributes children and young people will develop will allow them to demonstrate four key capacities – to be successful learners, confident individuals, responsible citizens and effective contributors.

For more information on the Curriculum for Excellence visit - <http://www.education.ea.argyll-bute.sch.uk/learnteach/ace.asp>

16+ Learning Choices

Under the Scottish Government policy 16+ Learning Choices, all young people across Argyll and Bute are guaranteed the offer of a place in post-16 learning. The policy is an integral part of Curriculum for Excellence and is central to facilitating the delivery of the national indicator for positive and sustained destinations post-16.

By staying in learning past their initial school leaving age, young people are increasing their opportunities to secure and sustain long-term employability. This helps to build capacity for the young person, their families and their local communities; and in turn supports Argyll and Bute's economic growth. Critically, the aim of 16+ Learning Choices is to prevent and help reduce youth unemployment.

16+ Learning Choices requires multi-agency collaboration across the local authority with robust systems and shared processes in order to provide the right learning and support for all young people.

Argyll and Bute Strategic Housing and Communities Forum

Despite the continuing economic pressures the Strategic Housing and Communities Forum has continued to deliver an innovative and exciting housing programme.

Top priorities have been:

- to sustain housing development, and
- action to address fuel poverty

Housing developers in Argyll and Bute responded creatively to the Scottish Government's invitation to bid for funding from the Innovation and Investment Fund. 7 bids were successful securing £5m grant funding to deliver 137 homes over the next two years. Currently there are 172 homes on site. and next year will see the culmination of an innovative joint project between health, housing and social work when the new Mull Progressive Care Centre in Craignure is completed.

Castle Street, Rothesay

Mull Progressive Care Centre under construction

Alienergy in partnership with the Council submitted a successful bid to the second round of Universal Home Insulation Scheme (uHIS) and secured £742k to improve draught proofing and insulation in homes across the

area. The project will contact 4500 households via direct mailings; door knock 3000 properties and deliver survey/advice visits to least 1134 of them.

6: Social Affairs

Safer Communities

In Argyll and Bute we believe that everyone has the right to be safe and feel safe in their communities. We are committed to creating and supporting safer and stronger communities – where we live, where we work, where we play – in which we all take responsibility for our actions and how they affect others.

This is led through the Community Safety Partnership, a Council led partnership that brings together representatives from the local authority, police service, fire and rescue service, health, education, other public sector interests and the third sector.

The Partnership works to reduce anti-social behaviour and fear of crime and to promote safer, more inclusive and healthier communities through a wide range of day-to-day services such as street scene officers, CCTV operations and diversionary activities for young people.

Argyll and Bute Alcohol and Drug Partnership

The effects of alcohol and drug misuse lead to significant social and health impacts for the individual, for their families and for our wider communities. The Argyll and Bute Alcohol and Drug Partnership (ADP) works together to prevent and support recovery from the harmful use of alcohol and drugs. The Partnership comprises partners from the Council, health, police and the third sector to support national policy through the development of local strategies that deliver local outcomes for Argyll and Bute.

Health Improvement in Argyll and Bute

A healthy population is essential for a flourishing Argyll and Bute. The Community Health Partnership makes a significant investment in preventative health improvement initiatives and via the community planning process supports a number of structures:

Argyll and Bute Health and Wellbeing Partnership – is a partnership between the public and third sectors and is responsible for overseeing health improvement delivery across Argyll and Bute. Health and Wellbeing Grants - support local health improvement projects. (Approximately £71k per annum).

Health and Wellbeing Networks - made up of public and third sector partners and responsible for implementing health improvement initiatives.

Priorities for Health Improvement in Argyll and Bute

- Building and supporting capacity within all Community Planning Partners to deliver health improvement.
- Empowering individuals and communities to be healthy, for example, asset building on the resources and skills for health already present in communities.

Lifestyle interventions such as smoking cessation, alcohol brief interventions and mental health improvement.

For more information on health services in Argyll and Bute visit - <http://www.nhshighland.scot.nhs.uk/CHP/ArgyllandBute/Pages/ArgyllButeCHP.aspx>

6: Social Affairs

Health and Social Care in Argyll and Bute

Health Services in Highland and Scotland have to change due to:

- Increasing elderly population and more people living with long term conditions for longer
- In some areas the health of people are not improving so we must address health inequalities
- Healthcare costs rising faster than our income
- High cost of new treatments

Seven key principles to shape future plans

1. Promoting good health, self care and independence
2. Quality service that is fair and affordable based on need and clinical evidence
3. More community-based with hospital beds for acutely ill and those needing specialist care
4. Joint working with local authority, voluntary and independent sector
5. Run by well-trained and flexible staff working to the top of their skills
6. Using modern facilities and technology to best effect. Services and offices across fewer sites
7. Ongoing re-design to remove waste and inefficiency with minimal overhead costs.

The impacts of change

1. More people will be looked after at home or close to home with more service in the community
2. Fewer people will need to be admitted to hospital as emergencies
3. People who do come into hospital will not need to stay in so long
4. Fewer hospital beds will be required
5. Fewer buildings will be needed
6. The make-up of the workforce will change with fewer staff required

Telehealth in Argyll and Bute

Following a successful pilot of telehealth in Bute, Telehealth is currently being rolled out across Argyll and Bute. The pilot focused on people with COPD (Chronic obstructive pulmonary disease) on the island of Bute and successfully showed a reduction in admission to hospital for this group of patients, it also demonstrated an increase in well being.

Home Monitoring Pod

There are now home monitoring Pods in Bute, Cowal, Lochgilphead, Kintyre, Mull and Taynuilt, all focusing on home monitoring of COPD, heart failure and palliative care with support from a local community nurse. There are currently 36 home pods in Argyll & Bute with plan for a further 40. The equipment currently uses mobile phone signal, telephone line or broadband to send information gathered to a secure server

where it can be accessed daily by a community nurse.

With future developments in telehealth coming along the equipment will soon be able to support exercise and activity in the home and reduce social isolation.

7: Third sector and communities

argyll and bute
communityplanningpartnership

There are long distances between the places where we live, work and visit and some of our communities are very small. We need to find innovative ways of delivering services to make sure our communities are strong, resilient to change, fair and inclusive.

| Local Outcomes | National Outcomes |
|--------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>CPP15— We work with our partners to tackle discrimination</p> | <p>7 We have tackled the significant inequalities in Scottish life.</p> |
| <p>CPP16—Our Third Sector and Community Councils have access to information and support, including training opportunities</p> | <p>11 We have strong, resilient and supportive communities where people take responsibility for their own actions and how they affect others.</p> |
| <p>CPP 17—Our partners and communities are able to be fully engaged in the way our services are delivered.</p> | <p>13 We take pride in a strong, fair and inclusive national identity.</p> |
| <p>CPP 18—We engage with our partners, our communities and our customers to deliver</p> | |

7: Third sector and communities

Argyll and Bute
communityplanningpartnership

Argyll and Bute Local Services Initiative (ABLSI)

ABLSI is a partnership initiative bringing together Argyll and Bute Council, Argyll and Bute Social Enterprise Network, Argyll Voluntary Action, and Argyll & Bute Community Health, NHS.

ABLSI is investigating whether asset-based approaches to service innovation can help to sustain (and improve) services even during a time of cuts and increasing actual costs. It offers an opportunity for local practitioners to learn from practice, analyse risk factors and develop and support stakeholders to develop service models which meet the long term needs of communities.

The work is part of a Rural Development Community of Practice (CoP), which is supported by Carnegie UK Trust and Highlands and Islands Enterprise. The CoP enables activists, professionals and policy makers from across the UK and Ireland to support and learn from one other online and at face-face events.

The ABLSI was developed based on recommendations from the Argyll and Bute 'Harnessing the Potential of the Third Sector to Help Achieve Council Objectives Demonstration Project' (Demonstration Project.) This was established in 2008 following a meeting between the Council Leader and the Head of the Big Lottery Fund in Scotland. It is a record of the work that Argyll and Bute Council under-took to help develop and maintain sustainable communities, working jointly with community, voluntary and social enterprise organisations, collectively known as the Third Sector.

For more information visit - <http://fieryspirits.com/page/developing-rural-services>

Third Sector Partnership

Argyll and Bute Third Sector Partnership is a partnership between the infrastructure support organisations of ABSEN (Argyll & Bute Social Enterprise Network), Argyll Voluntary Action and Islay and Jura CVS. Since its inception in March 2010, the Partnership has strengthened its representational role on a range of strategic community planning groups, including Social Affairs, Third Sector & Communities and CPP Management Committee. It has worked with its colleagues in Argyll and Bute Council and Health predominantly and in particular in the areas of community engagement.

The Partnership operates the third sector fora across 7 areas of Argyll and Bute and is involved in, amongst other initiatives, the Mental Health Improvement and Promotion Plan and the Reshaping Care for Older People plans. Through the fora we are able to link and communicate the views of the wider sector to our strategic partners.

We are all operating in very harsh times – our statutory partners are facing challenges which impact on staff and services and the third sector also has lost a number of staff, with more posts and services to be lost in the coming months. To survive, continue to deliver our core services and assure our communities of support we are working more closely than ever before, with a greater sense of understanding of each other than hitherto. We are stronger through greater understanding and have a vision which will take us into a future of better, smarter and more sharply focussed service delivery underpinned by working together in mutual respect and with a common goal.

Better Community Engagement resource pack

This project set out to produce an easy-to-understand and easy-to-access resource pack that will enhance community engagement activities across Argyll and Bute. It was produced by, and for, local area Community Planning partners in Argyll and Bute.

This has been a good example of partnership work, involving in particular the Third Sector Partnership and NHS Highland working alongside Argyll and Bute Council.

The challenge was to produce a resource for Community Planning Partnership partners and community groups (such as Community Councils and Third Sector Fora) as an accessible online resource.

The final pack has practical exercises with easy-to understand instructions and graphics to encourage use. The pack was written for Local Area Community Planning Groups and the information it contains is aimed at these groups. It can be used by Local Area Community Planning Groups themselves when planning engagement activities or by individual Local Area Community Planning partners in relation to their own service provision.

For more information or to access the resource pack visit - link to follow

HIE—Community Account Management

There are currently nine Community Account Management (CAM) areas in Argyll, with Local Development Officers (LDOs) being supported by HIE and Leader to develop and deliver community plans. These areas have been selected in conjunction with the CPP and are already demonstrating the value of having a dedicated local worker to implement projects on behalf of the community. The initial CAM areas (Jura, Coll and Cumbrae) completed community plans last year and have made significant progress towards the projects they encompass.

CAM Local Development Officers

The next six areas (Bute, Colintrave and Glendaruel, Colonsay, South Islay, Ross of Mull and Iona and Tiree) have now identified key projects within their community plans, ranging from a marketing strategy, pontoon projects, a community café and a web site.

Two new CAM areas in preparation for a potential second phase of funding, which could see new LDOs in post in early 2012.

Bute Community plan can be found at:

<http://bclc.co.uk/documents/>

Tiree Community Plan can be found at

Community Safety Forum Links, Partnership and Reporting

1. SUMMARY

- 1.1 The purpose of this Paper is to update and inform the LACPG as to the status and membership of the Local Community Safety Forums, and to outline where these lie in relation to other groups such as LACPG and the Argyll and Bute Community Safety Partnership.

2. RECOMMENDATIONS

That Members:

- 2.1 Note the current status of the CSFs in their Area
- 2.2 Agree to acknowledge the Community Safety Forums as a key strategic partner
- 2.3 Agree to accept reports for consideration from the Community Safety Forum as appropriate.

3. DETAIL**3.1 The Forums in each area**

Each of the four administrative areas of the Council have at least one Community Safety Forum (Bute and Cowal have one each) The Nature of the work of the various Community Safety forums is outlined in the Argyll and Bute Community Safety Strategy. This strategy is currently undergoing a minor update to in order to maintain its close links to the objectives of the current Single Outcome Agreement and the new Community Plan.

Each CSF focuses its efforts in the immediate area and previous initiatives in the areas supported by the various forums have included Experiential Learning events, water safety events and production of appropriate leaflets etc.

Each local CSF meets quarterly –more often if there is a specific need. It has been proposed that going forward, Community Safety Forum Meetings could be timed to allow more timeous feedback to LACPGs. Opportunities for this will be investigated and where possible meetings will be arranged to facilitate this.

3.2 Who Attends

The Community Safety Forums are open to all interested parties. They are well attended by Elected Members and partners with large community safety component to their remit e.g., Police, Strathclyde Fire and Rescue, Coastguard, Housing Associations etc. Certain Council Officers such as Emergency Planning, Environmental health (regulatory services) and 3rd Sector groups such as Rape Crisis are also attendees where there are agenda items relevant to them

3.3 Feedback & Performance

The Minutes of Community Safety Forums are published on Modern.Gov and are therefore available to LACPG members. Performance statistics from partners are considered at all meetings of the forums, partners regularly report their progress against their own performance targets both national and where possible local, and consider many initiatives which are being undertaken locally, e.g. targeting rogue traders.

Currently the Area Community Safety partnerships feed back into the Argyll and Bute Community Safety Partnership which meets six monthly, however, it is proposed that a report also be provided to the LACPG on a regular basis so that issues of particular interest can be aired at the larger area community forum. It is envisaged that this report take the form at times of either, reports on specific initiatives felt by the forums to be of interest to the LACPG or exception reports where the LACPG need to be aware that an objective is not being met.

3.4 Appointment

The Area Committee is invited to appoint up to two Members to the Area Community Safety Forum.

4. IMPLICATIONS

- | | | |
|-----|-------------------------------------|-------------------------------------------------------------------------------------------------------------|
| 5.1 | Policy | Adoption of the proposal will assist in delivery and reporting of aspects of the SOA and the Community Plan |
| 5.2 | Financial | None, |
| 5.3 | Personnel | None |
| 5.4 | Equalities Impact Assessment | None. |
| 5.5 | Legal | None |

Social Affairs Thematic Group Update Report

1. SUMMARY

1.1 This report summarises the continued progress made by the Social Affairs Thematic Group over the last quarter.

2. RECOMMENDATIONS

2.1 That the Management Committee note the progress made by the Social Affairs Thematic Group.

3. DETAIL

3.1 At the group's most recent meeting on the 13th February 2012 a number of key issues were discussed and scrutinised including; Happy to Translate, Multi Agency Child Protection Inspection Improvement Plan, Additional Support Needs (ASN) Review, Review of Older Peoples Services and Learning Disability, Single Outcome Agreement / Community Plan and the Social Affairs Scorecard.

In addition, a number of presentations were made, including; See Me Pledge, Adverse Childhood Events Link to Health Outcomes and the Good Places Better Health publication.

3.2 The group considered the Integrated Business and Inspection Improvement Plan for 2011-2013, which has been prepared by the Argyll and Bute Child Protection Improvement Group following the 2011 multi agency inspection of Child Protection Services in Argyll and Bute. The plan seeks to address the inspection findings including one area of weakness highlighted in respect of the immediate response to child protection referrals. The group agreed to monitor progress with a six month update requested.

3.3 After consideration of the paper on Happy to Translate (HTT), a non profit initiative, self financed through its growing membership, which bridges communication gaps between organisations and service users who struggle to communicate in English, it was decided that once costs are known, they will be circulated to Partners to see if they would be interested in participating in the scheme.

3.4 Discussion took place around a presentation which had previously been delivered at a COSLA meeting by Sir Harry Burns, Chief Medical Officer for Scotland, and which highlighted poor life expectancy trends for Scotland. The presentation also considered the effect of adverse childhood events leading to poorer outcomes in later life including higher risk of alcoholism, perpetrating violence, teenage pregnancy and heart disease and early adversity. It was noted that there was a need to look at prevention and early intervention measures and the group noted the current work on developing an integrated early intervention strategy aligned to the proposed change fund.

3.5 A presentation was given on Good Places Better Health, a Scottish Government Strategy on health and the environment. It recognises that the environment has a significant impact on the health of Scotland's people and that action is required to create safe, healthy, nurturing environments for everyone.

Partners were asked to consider the recommendations contained within the report and to identify what they currently contribute to each recommendation, reporting back to the group at the next meeting.

3.6 The date of the next meeting of the Social Affairs Thematic CPP group will be set following the Scottish Council elections in May 2012.

4.0 CONCLUSION

4.1 Significant progress has been made over the year in monitoring progress towards achieving the group's objectives and this progress will continue throughout the following year through the development of strong partnership links and increased scrutiny and development of the Social Affairs Thematic Group scorecard.

Date: 21 March 2012**

**Title: COMMUNITY PLANNING PARTNERSHIP THEMATIC GROUPS
UPDATE - ENVIRONMENT**

1. SUMMARY

- 1.1** The Environment Theme Group met on Thursday 23rd February. There was a sparse attendance with a single councillor present.

Those present reviewed the Scorecard which requires review and renewal.

The Group then reviewed the "Draft Menu of Local Outcome Indicators" currently being developed as a national proposal and the "Environment Success Measures" of our own CP and compared them against A and B Service Plans.

- 1.2** A report from ABRA on progress was presented by Lisa Hardie.

- 1.3** A report on Safe Walking Routes was deferred to the next meeting.

- 1.4** Future meeting dates will be agreed following the May election.

Telephone

This page is intentionally left blank

1. SUMMARY

- 1.1 The most recent meeting of the Economy Thematic Group took place on 29 February and this report provides a summary of the key issues covered. The group remains focussed on identifying issues affecting the local economy and measures which enable changes to be identified and tracked or treated as appropriate.

2. KEY ISSUES

2.1 Housing.

Two presentations one from the Local Authority perspective and one by West Highland Housing Association highlighted a number of housing issues facing the Argyll economy. It was noted that without a change in legislation priority is given on the basis of housing need even if the applicant comes from outwith the area and not on the basis of local need.

- 2.2 **Performance Measurement.** The revised scorecard was accepted and it was agreed that a small working group would finalise the success measures document which had been tabled. The principle behind the measures chosen remains the wish to be able to balance the monitoring of partner interventions whilst using the figures as a barometer of the local economy.

- 2.3 **Bute.** Partners were advised that the Management Committee had endorsed the use of a wider partnership approach as a pilot to address the challenges on Bute. Invitations to participate in a small working party are being sent to a number of partners and a full report on progress will be available at the next meeting.
-

2.4 Modern Apprenticeships Skills Development Scotland provided figures on participation levels in Modern Apprenticeships across Argyll. It was noted that positive outcomes across the area at 64% are below both the Scottish national and Highlands and Islands figures. Gender split was also noted as of 330 Modern Apprentices in March 2011 only 78 were female.

2.5 Rural Broadband. This is recognised as being a key factor for future success in the rural economy but there is concern that costs appear to be growing. A detailed report from Gerry Wilson had been tabled for the meeting and it was noted that as HIE is leading on the Broadband Delivery UK (BDUK) project Stuart Robertson of HIE would be visiting Argyll on 23 March and an update will be provided at the next Thematic Group meeting .

2.6 Third Sector and public sector joint working. A presentation was given to demonstrate the potential for Argyll and Bute Local Services Initiative (ABLSI) to identify service areas where there is a real potential for the public sector in Argyll and Bute to work with the third sector to determine ways to improve the quality of services while also achieving efficiencies.

3 FUTURE MEETINGS

It was agreed that the format of future Economy Thematic Group will be reviewed by the Chair and the Thematic Lead with a view to increasing participation from business and promoting cross partner working.

The date of the next Economy Thematic Group meeting is still to be confirmed

Third Sector and Communities CPP Sub-group

1. SUMMARY

- 1.1** The Third Sector and Communities CPP Sub-group continues to develop its Plan as part of the SOA/Community Plan.

2. RECOMMENDATION

- 2.1** To note the contents of the report and the progress of the Third Sector and Communities CPP sub-group.

3. DETAIL

- 3.1** The Third Sector and Communities CPP Sub-group met on 21 February 2012. In attendance were representatives from the Third Sector Partnership, ABSEN, NHS Highland, Strathclyde Police, Argyll and Bute Council, and HIE.

- 3.2** A presentation from on the Council's standardised SLAs and contracts was delivered. The Council's Procurement and Commissioning team hold a contract register which should cover all Council signed contracts – this is still a work in progress. A shared CPP grant register was discussed as a possible project for this CPP Sub-group.

- 3.3** The Third Sector and Communities Plan was discussed and three success measures per outcome are to be headlined in the SOA/Community Plan for 2012-13.

- 3.4** A review of the recommendations of the Demonstration project "Harnessing the Potential of the Third Sector to Help Achieve Council Objectives" was discussed. Considerable progress has been made since the final report dated September 2010, particularly in relation to funding, and the asset transfer processes. The outstanding actions from the Demonstration project are included in the Third Sector and Communities Plan.

- 3.5** The Argyll and Bute Local Services Initiative (ABLSI) project is taking forward a number of recommendations from the Demonstration Project, and is currently investigating a Social Impact Toolkit.

3.6 Future events to support the Third Sector were discussed. These include:

- **There's more to Fundraising than Grants** – Saturday 17 March, Kilmory, Lochgilphead. The event is open to charities, social enterprises and community groups in Argyll and Bute to explore a range of income generation opportunities. If sufficient demand, VC facilities will be available from islands.
- **Volunteer of the Year Awards** – 8 June 2012
- **Grant Funding** event with the Scottish Grant-making Trust
- **Community Renewables Opportunities** event
- Launch of the **Asset Transfer Pack**

4. CONCLUSION

4.1 The Third Sector and Communities Sub-group continues to develop.

5. IMPLICATIONS

Policy: In line with Community Plan/SOA developments

Finance: None

Personnel: None

Legal: None

Equal Opportunities: None
