4. PUBLIC AND COUNCILLOR QUESTION TIME

Mr Max Barr – Dunoon Community Council asked the committee a question regarding Argyll and Bute's stance on whether they get involved in immigration issues.

This was responded to by the Executive Director of Customer Services who advised Mr Barr and the Committee that a Local Authority can not take any actions or get involved in immigration issues.

The Area Governance Manager submitted a question from a member of the public which related to the councils flag flying policy and clarification surrounding it.

This was responded to by the Executive Director of Customer Services, who addressed the committee with the following points:

- Argyll and Bute Council follow the Flag Flying Policy document that was put in place in 2004, and which has not been changed since that date.
- The Executive Director of Customer Services in consultation with the Provost made the decision to fly the Commonwealth Flag on designated flag poles during the Commonwealth Games, and then revert to the adopted flag flying policy.
- Until such time as the policy may be changed, flags will be flown in accordance with the policy, ie the current default position is that no flags will be flown on designated flag poles except those flags prescribed to be flown on designated days.

Decision

The Area Committee unanimously agreed to recommend to Council that a full and urgent review of the adopted Flag Flying Policy is carried out, and the review should include the provision for Area Committees to identify designated dates for specific flags to be flown within their areas.

5. STRATEGIC URBAN REGENERATION FUND (SURF)

The Head of Economic Development and Strategic Transport, along with the Chair of SURF gave a presentation on the Strategic Urban Regeneration Forum, The report and presentation had been taken to the committee to outline the current regeneration work that has taken place in other areas of Scotland and how this can be applied to the Bute area.

A discussion took place amongst members with regards to local issues that could benefit from the input of SURF.

Decision

The committee noted the report and acknowledged the useful content. It was decided that a further report would come back to the Area Committee on the 2nd December, once the feasibility phase of this work is complete and proposals for island regeneration have been developed.
