## **Amendment**

The Bute and Cowal Area Committee wishes to work in partnership with the Dunoon Community Pier Trust to ensure that the historic Dunoon Pier is refurbished and brought

back into use in a manner that reflects the community's views on what the pier should be used for. The Bute and Cowal area committee recommends to the full council that a new subcommittee of the area committee is created for this purpose. The sub-committee will have responsibility for the refurbishment and future use of the pier and officers will report to this sub-committee. The sub-committee will in turn report to the area committee. The proposal is that the sub-committee comprises 3 elected members from the Dunoon and Cowal wards and 3 members of the board of Dunoon Community Pier Trust. The 3 elected members from these 2 wards will be determined by a decision of the area committee for Bute and Cowal. The 3 members of the SCIO board will be determined by that board. The sub-committee will elect a chair and vice chair at its first meeting if the creation of the sub-committee is agreed by the full council. This decision to be actioned once the SCIO has been registered with OSCR.

**22. NOTICE OF MOTION UNDER STANDING ORDER 13**

The Council considered the following Notice of Motion submitted under Standing Order 13; which was moved by Councillor Sandy Taylor and seconded by Councillor Dougie Philand.

**The Flag of Scotland** (The Saltire)

Whereas the Mid Argyll community previously benefitted from the regular flying of the Saltire on the Front Green of Lochgilphead, its removal prior to 2014 Referendum continues to cause considerable consternation, as evidenced by a local petition, community council business, representations to local Members and newspaper articles. This concern however, is not restricted to Mid Argyll, but is reflected across Argyll and Bute.

The Council's Flag Flying policy sets out which flags are to be flown, from which flag staffs or poles on which flag days; including the Saltire on six days per year, and the Council flag on the day of a Council meeting.

Whereas it has been suggested that the continuous use of the Saltire diminishes the significance of flag flying on appointed days, this is clearly at odds with other Councils, at least 19 of which fly the Saltire, businesses and governmental agencies which hold no such fear.

**Motion:**

That the Council Flag Flying Policy be amended so that the Flag of Scotland be flown on Council flag staffs (poles) on all days other than those specified in the Flag Flying Policy for the flying of the Union flag and the Council flag.

Moved Councillor Sandy Taylor, seconded Councillor Dougie Philand
