

Policy and Resources Committee, 9<sup>th</sup> May 2024 – Agenda Item 8, Levelling Up Partnership Process

The Policy and Resources Committee:

- a) Acknowledges the work done by officers to prepare and develop the list of projects which span Argyll and Bute and which link to a variety of strategic and local priorities;
- b) Welcomes the ongoing engagement with the UK Government at officer level;
- c) Notes the process in relation to identifying the projects which will be funded through the Levelling Up Partnership, that final decisions will be made by the UK Government and, as a consequence;
- d) Agrees to submit the long list of projects provided in Table 1, without prioritisation, to the UK Government for consideration and decision as part of that process.
