APPEAL LODGED

Reference Number: 07/01765/DET
Appellants Name: Argyll Windfarms Ltd
Appeal Type: Detailed Planning Permission
Appeal Description: The erection of a wind farm consisting of 16 wind turbines, associated concrete foundations (maximum hub height 60 metres and blade tip 100 metres), two temporary construction compounds, on-site switchgear and control room station, hard standing areas, connecting cabling and one permanent wind monitoring mast; construction of 8.2km of access tracks, upgrading of 6.9km of existing access tracks, and excavation of 10 borrow pits.

Location: Black Craig to Blar Buidhe Glenfyne Argyll and Bute

Members' attention is drawn to the lodging of an appeal in respect of the Council's failure to determine the above planning application. The appellants have requested that the appeal be heard at a public local inquiry conjoined with an appeal against the refusal of planning permission for a windfarm at Corlarach Hill (07/00851/DET).

Members are asked to note the above information.
