REASON FOR REFUSAL RELATIVE TO APPLICATION: 09/00532/LIB

1. The proposed replacement windows on the subject property, by virtue of their inappropriate double swing method of opening, would have an unacceptable impact upon the architectural and historic interest of this Category B Listed Building located in a visually prominent position within the Rothesay Conservation Area. As a consequence, the development is contrary to STRAT DC 9 of the Argyll and Bute Structure Plan 2002; Policy POL BE 1 of the adopted Bute Local Plan 1990; Policy LP ENV 13(a) of the Argyll and Bute Modified Proposals for Adoption 2009; the Council's non-statutory *Rothesay Window Policy Statement and Design Guide E 'Replacement of Windows'*; and the advice contained within Historic Scotland's *'Scottish Historic Environmental Policy 2008'*.
