

FEED BACK ON THE TRAINING EVENT IN STRACHUR

1. SUMMARY

- 1.1 This report provides a brief update on the training event held at Strachur on 24th February 2011

2. RECOMMENDATIONS

Members note this report.

3. DETAIL

The aim of the day was:-

1. To raise awareness of the CPP process and how the Local Area Community Planning Groups fit into this structure.
2. To identify how individuals and groups can bring an issues to the LACPG and how it can then be resolved.
3. To provide training on community engagement techniques and methodologies to key partners for each of the four Local Area Community Planning Group's.

The event was attended by 13 participants including Argyll & Bute Councillors, partner organisation and members of community groups. A number of engagement methods were undertaken. A full report of the event was produced.

4. CONCLUSION

The event should be rolled out to other community and voluntary organisations in Bute and Cowal.
