CPP Consultation Diary

Information Request - November 2010

Local Area Community Planning Groups are developing local consultation diaries, gathering information about what consultations are currently underway and what consultations are being planned.

The Consultation Diaries will provide an overview of all the consultation being done in Argyll and Bute. This will allow Local Area Community Planning Groups to become more aware of the volume of consultation that are being undertaken by community planning partners. It also means we can access the results of a consultation that might help us plan our work. If we are planning a consultation, we can check the diary to avoid clashing with another consultation. We can also use the diary to make contact with people who have recent experience of consulting to talk over the methods they used and any learning points they can share with us.

We would like to know about

- 1. **Proposed Consultations** those planned for the future
- 2. Current Consultations those consultations that are happening now
 - Local (consultations at LACPG or even more local level)
 - Argyll and Bute Wide
 - Organisational but with potential Argyll and Bute outcomes
- 3. **Recent Consultations** those that have happened recently. Even if they have been completed we can add them so that anyone planning a consultation can see if something similar has been conducted recently. It can also indicate if and when a report will be produced and where to get a copy. Any outcomes or changes that have resulted from it can also be highlighted here.

If we are able to get web links for the consultations more detailed information about that consultation could be accessed. If web links can't be established we would look for a brief description of the consultation which should include the name and phone number of someone you can contact for further information or discussion.

If you are organising a consultation, please fill in this form, either electronically or on paper, then email or post the completed form to:- eileen.wilson@argyll-bute.gov.uk
