Dear Sir/Madam,

LOCAL REVIEW BODY REFERENCE: 11/0012/LRB

PLANNING APPLICATION REFERENCE: 11/01506/PP

GROUND FLAT, 4 MONTFORD TERRACE, ROTHESAY PA20 9ER

I am still of the opinion that if granted this application will create a precedent and further such structures could be erected in the terrace. All are completely out of character with the red sandstone existing housing in the terrace and out of place in a conservation area.

The suggested improvements by the applicant do not alter this and so I still hope the council will refuse the application.

Yours faithfully,

William J. S. Blair
