Dear Sir,

Ref: 11/01801/PPP – Site for erection of dwelling house at Lynn House Ganavan Road Oban

Local review body reference 12/0002/LRB

I refer to the above and to your letter of the 12th January and would confirm that I still wish to object to the proposal. I consider that my objections as detailed in my letter of the 13th October are still relevant and would ask that they are considered when the review is convened.

Yours sincerely
