## - Coproduction!

What does this **mean**?

**People with disabilities and statutory agencies developing services together**

**..and an interactive workshop to coproduce your own way forward!**

**When: 26<sup>th</sup> March 2012 10 am – 3pm**

**Where: St Mun's Parish Centre, Alexandra St, Dunoon**

### **What will happen?**

Your chance to learn about 'coproduction' or 'co-design'.  
Put simply, this is a way for communities, such as disabled people, and public services to work together to make things better.

Disabled people from Cowal along with representatives of local public services will come together on the 26<sup>th</sup> March.

- Find out more about what co-production is
- Explore what it can offer
- Think about how we could use coproduction locally....
  - ..for disabled people influencing the decisions that affect them!
  - ...and get started on using it to make change in the things that matter most to you
- We plan lots of activity and fun. Come with an open mind!

### **Who is the seminar for?**

The event is for disabled people, disabled peoples organisations and people who provide public services in Cowal.
