

APPROVALS LIST – HIGHLANDS AND ISLANDS ENTERPRISE

Lochgilphead Area Office

June 2012

This approvals list for Highlands and Islands Enterprise provides details on financial assistance given to businesses, community groups, public sector partners and other organisations to deliver specific projects. The list also provides details on projects that are led and managed by HIE itself, sometimes in partnership with other organisations.

Please note that the sums relate to approvals, not payments. The approval simply shows that funds have been made available, but they will not be released until evidence is received which shows that the project or activity has gone ahead as planned.
