
RHU MARINA MASTERPLAN HEARING SUPPLEMENTARY REPORT NO. 3

1. SUMMARY

Rhu Marina is designated in the current adopted Local Plan as Potential Development Area (PDA) 3/29. Under this designation a Masterplan is required as part of the determination of any application for all or part of the site. Members will consider separately an application, reference 12/01696/PP, by GSS at Rhu Marina for the change of use of land for the temporary siting of a modular building (office accommodation) with associated parking, 2 containers, welfare facilities and installation of pontoons. A Masterplan for the PDA has been submitted.

2. INTRODUCTION

I would advise that further correspondence has been received from Alastair Moore, Smugglers Way, Pier Road, Rhu (letter dated 23 August 2013) enclosing a file containing details of 300 subscribers to a community appeal, Save Our Rhu Bay. All of the individuals object to the proposed commercial infill of Rhu Bay as part of the proposed Masterplan for Rhu Marina.

3. RECOMMENDATION

Members are asked to note the information above which doesn't raise any new issues and does not affect the original recommendation.
