

Case Reference 13/0013/LRB (Planning Ref: 13/00731/PP)

Note to Attached to Report of Handling from Planning.

The application was refused due to objections raised by the Area Roads Engineer. I attach the report of handling for your attention. As the Area Roads engineer will be substantiating his views with a separate submission, and the planning background and policy analysis is set out in the report, no further detailed comments are proposed.
