AUDITED ACCOUNTS 2013- 2014

2. INTRODUCTION

- 2.1 The external auditors (Audit Scotland) have completed their audit of the Council's accounts for the year to 31 March 2014. The audited accounts incorporating the audit certificate for 2013-14 are attached. The audit certificate contains no qualifications.

3. RECOMMENDATIONS

- 3.1 The audited accounts and terms of the audit certificate are noted and the summary accounts and financial snapshot are also noted.

4. DETAIL

- 4.1 The audited accounts including the audit certificate are attached.
- 4.2 Also attached are a set of summary accounts and a financial snapshot which fits on a single sheet of paper. These are based on the audited accounts but have not been audited themselves.
- 4.3 The accounts were completed and submitted by the statutory date of 30 June 2014. The audit has been completed within the timescale of 30 September 2014, set by Audit Scotland.
- 4.4 The audit certificate on the Council's accounts for the year ended 31 March 2014 contains no qualification. External audit are able to conclude that the Council's accounts present a true and fair view of its financial position as at 31 March 2014.
- 4.5 Appendix 1 is a schedule of the significant changes to the accounts. The 2 significant adjustments to the accounts were as noted below. There were also a few presentation adjustments.
- An increase in the Equal Pay Provision of £0.368m.
 - An increase in the accrued expenditure in relation to standby pay for Development and Infrastructure Services staff of £0.132m.
- 4.6 The table below reconciles the changes from unaudited accounts to audited accounts for the Surplus on Provision of Services, the General Fund Balance and Total Assets less Liabilities.

	Surplus On Provision of Services £m	General Fund Balance £m	Total Assets Less Liabilities £m
Unaudited Accounts	2.194	44.541	175.325
Increase in Equal Pay Provision	(0.368)	(0.368)	(0.368)
Standby Provision for Development and Infrastructure	(0.132)	(0.132)	(0.132)
Audited Accounts	1.694	44.041	174.825

4.7 The committed funds within the General Fund Balance were £29.454m per the audited accounts. This leaves a free General Fund Balance of £13.669m. This equates to 5.6% of the Council's budgeted net expenditure for 2014-15 and exceeds the agreed contingency level approved as part of the 2014-15 budget process. In August 2014 the Policy and Resources Committee agreed the use of the free balance on the general fund be directed exclusively to the theme of economy and jobs and proposals to increase income / reduce costs for the Council with further reports to be brought forward setting out more detailed proposals.

4.8 The external audit report identifies 2 errors where it was agreed not to amend the accounts. These would have reduced the General Fund Balance by £0.011m. They comprise.

	£m
Under accrual of Creditors invoices	(0.011)
Provision for future restoration and aftercare costs for landfill sites - It was decided not to increase the value of landfill sites and create an offsetting provision to reflect the restoration and aftercare costs of landfill sites. Any impact on income and expenditure from changes to the discounted cash flow values of these costs would have been offset by statutory mitigation with no impact on the General Fund balance. Accordingly a view was taken these would not be material adjustments. The impact on the balance sheet would have been:	
• Property, Plant and Equipment	1.595
• Provisions	(1.595)
Net unadjusted error	<u>(0.011)</u>

5. CONCLUSION

- 5.1 This report advises members on the conclusion of the audit of the accounts. The external auditor's certificate is unqualified. The audit was completed within the required timescales. Minimal adjustments were made to the accounts during the audit process.
