SOA:Local - report on supplementary workshop discussions

1. Purpose

To document additional information gathered at the SOA: Local workshop, held in Kilmory on the 14th January 2015, which is not contained within the existing plans but which may be of interest to the Area Community Planning Group for future reference and discussion.

2. Recommendations

It is recommended that the Area Community Planning Group note the attached information on community delivered activities and opportunities for future development and agree that these be considered at future meetings of this group when discussing the relevant outcome.

3. Background

The discussions generated at focus groups on the SOA:Local not only focussed on the actions within the existing SOA Delivery Plans, and therefore SOA Local, but also where there were gaps and opportunities to address these at an area level. Further to this, a number of additional local community activities were identified at the workshops and these are mapped against the SOA outcomes they relate to for partners information, within the attached Appendix.

4. Detail

At the workshops for developing the SOA:Local, participants highlighted a number of matters falling under the categories listed below. These matters may be of interest to the Community Planning Group in its future meetings and discussions on the six SOA outcomes, and any development of action at a local level. Actions may include having a presence at the meeting from a relevant person or organisation in relation to opportunities

identified.

Participants raised matters related to:

- Activity currently happening in the area but not recorded in the Single Outcome Agreement, Local.
- Opportunity for further activity at a local level

5. Conclusions

The attached information may be used by the Area Community Planning Group to consider future developments or agenda items under the relevant SOA outcome discussions.
