NON NOTIFIABLE MODIFICATIONS

Section and Page Number	Change	Reason
Written Statement:		
Section 4.0 – High Quality Places Policy 06 Green and Blue Infrastructure, Page 27	At the 7 th bullet point change “Green Networks” to “green networks” and add a full stop to the end of the sentence.	Typographical error
Section 4.0 High Quality Places Policy 07, page 28	In the policy title, delete the 2 nd “Provision” so that it reads: “Policy 07 – Provision of Temporary Green Infrastructure on Sites”	The use of “provision” is unnecessary and confusing
Section 4.0 High Quality Places Paragraph 4.19, page 28	Sustainable development is defined within the SPP NPF4 as being “development that meets the needs of the present without compromising the ability of future generations to meet their own needs”.	The definition is the Bruntland definition and therefore remains the same between SPP and NPF4. This updates the referencing.
Section 4.0 – High Quality Places Policy 17 – Conservation Areas, page 37	First paragraph, fifth line, replace the words “section above” with “under section 4.39 above”.	To make text clearer in relation to signposting where the related documents are listed.
Section 5.0 – Diverse & Sustainable Economy Policy 22 – Economic Development, page 42, iii) a) i	Add bullet point i – “The use is ancillary to existing or proposed industrial or business development at that location, and”	Bullet point omitted – as this relates to a description of ancillary it is considered acceptable as a non-notifiable
Section 5.0 – Diverse & Sustainable Economy Policy 22 – Economic Development, page 42, iii) a) ii	Alter text from “The use will not have a significant native impact on the established uses at that location, or” to “The use will not have a significant negative impact on the established uses at that location, or”.	Typographical error.
Section 5.0 – Diverse & Sustainable Economy Paragraph 5.8, page 42	Amend Paragraph 5.8 to read: “5.8 A sequential approach will be taken to industrial and business development with proposals for new developments being considered in the following order of preference: 1. Preferred locations (Table 2); 2. Other locations within the identified Settlements (Table 3); 3. Other locations within the Countryside Area (Table 3).”	Incorrect use of punctuation within list – amended to semi-colons.
Section 5.0 Diverse and Sustainable Economy Paragraph 5.5 – 6 th bullet point, page 42	Change “focussing” to “focusing”	“Focusing” is the more accepted spelling

NON NOTIFIABLE MODIFICATIONS

Section and Page Number	Change	Reason
Written Statement:		
Section 5.0 Diverse and Sustainable Economy Paragraph 5.16, page 51	Huts can provide opportunities for low impact leisure accommodation. This LDP2 adopts the Scottish Planning Policy 2014 National Planning Framework 4 definition of a “hut” as	Update reference as is same definition in SPP as in NPF4.
Section 5.0 – Diverse & Sustainable Economy Paragraph 5.26, Page 52	Delete the additional spaces and full stop after the words “...set out in this Policy”.	Typographical error
Section 5.0 – Diverse & Sustainable Economy Paragraph 5.26, page 52	Change “Technical Note LDP2 TN20: Marine and Freshwater Aquaculture” to “LDP2 TN20 Technical Note: Marine and Freshwater Aquaculture”	Consistency of the formatting of Technical Note titles
Section 5.0 – Diverse & Sustainable Economy Policy 30 – The Sustainable Growth of Renewables, Page 55	In the related documents section, add a colon after the words “Technical Note”	Consistency of the formatting of Technical Note titles
Section 6.0 – Connected Places Paragraph 6.6, page 59	Change the text in second sentence from “These routes are identified in the Connectivity Diagram 8” to read “These routes are identified in the Tourism Diagram 6”.	The Long Distance Routes are marked on tourism diagram 6, not connectivity diagram 8.
Section 6.0 – Connected Places Paragraphs 6.14 and 6.18, Pages 63 and 64	Change the word “publically” to “publicly”.	Typographical error
Section 6.0 – Connected Places Policy 34 – Electric Vehicle Charging, Page 64	In the 2 nd line of third bullet change “Assessments:” to “Assessment:”.	Typographical error
Section 6.0 Connected Places Para 6.24, page 67	Scottish Planning Policy The Maximum Parking Standards to be applied through this Local Development Plan were derived from the former National Maximum Parking Standards for New Development. It is considered that they still provide a relevant approach to minimising space dedicated to car parking that is compatible and consistent with National Planning Framework 4. contains national maximum parking standards for new developments, these national These Argyll and Bute maximum car parking standards relate only to limited categories and scales of development e.g. retail development (food) and (non-food) of 1000m2 and over. They do not apply to housing development. It is accepted that these national maximum car parking standards can	The National Parking Standards were contained in SPP which has been superseded. However, the use of a maximum standard is considered to align with NPF policy direction. Non notifiable modification to clarify the derivation of the maximum parking standards used.

	<p>operate in Argyll and Bute without resulting in unacceptable off-site parking consequences. Scottish Planning Policy National Planning Framework 4 also advises that development proposals which are ambitious in terms of low/no parking will be supported, particularly in urban areas that are where an area is well served by sustainable transport modes, planning authorities may set more restrictive standards Therefore in the Main Towns there is an acceptance that zero parking provision can be appropriate for certain categories of developments. This is justified on the basis that some types of development are able to function effectively within these central areas without requiring on-site parking, relying instead on central area public car parking provision and the availability of public transport services. It is not considered necessary to make this zero provision aspect of policy compulsory on developers.</p> <p>And Table 5 to read Argyll and Bute Maximum Parking Standard</p>	
Section 6.0 – Connected Places Table 5 – Car Parking Standards, pages 68 - 69	Maximum Parking Standards to be changed to N/A for wholesale warehouses, open air markets, and restaurants.	The maximum standards were derived from the now superseded SPP. However, these are considered to be consistent with the policy direction of NPF4. Correction to match SPP table.
Section 6.0 Connected Places Paragraph 6.40, page 72	Delete this sentence The provisions of SPP are material to the determination of planning applications for telecommunications development.	The SPP has been superseded and no longer applies.
Section 7.0 – Sustainable Communities Paragraph 7.8, page 73	Add second sentence: “Town centre strategies will be prepared in consultation with the local communities, landowners and other stakeholders to deliver improvements to the town centres. The Town Centre Strategies will take account of information gathered in the Town Centre Audits.”	To clarify how town centre strategies may be delivered
Section 7.0 Sustainable Communities	Insert a space between after 2 where it reads “Plan 2and”	Space was missed
