## Enforcement Sections of the Town & Country Planning (Scotland) Act 1997

### *Enforcement notices*

Issue of enforcement notice.

**127.** - (1) The planning authority may issue a notice (in this Act referred to as an "enforcement notice") where it appears to them-

- (a) that there has been a breach of planning control, and
- (b) that it is expedient to issue the notice, having regard to the provisions of the development plan and to any other material considerations.

(2) A copy of an enforcement notice shall be served-

- (a) on the owner and on the occupier of the land to which it relates, and
- (b) on any other person having an interest in the land, being an interest which, in the opinion of the authority, is materially affected by the notice.

(3) The service of the notice shall take place-

- (a) not more than 28 days after its date of issue, and
- (b) not less than 28 days before the date specified in it as the date on which it is to take effect.

Contents and effect of notice.

**128.** - (1) An enforcement notice shall state-

- (a) the matters which appear to the planning authority to constitute the breach of planning control, and
- (b) the paragraph of section 123(1) within which, in the opinion of the authority, the breach falls.

(2) A notice complies with subsection (1)(a) if it enables any person on whom a copy of it is served to know what those matters are.

(3) An enforcement notice shall specify the steps which the authority requires to be taken, or the activities which the authority requires to cease, in order to achieve, wholly or partly, any of the following purposes.

(4) Those purposes are-

- (a) remedying the breach by making any development comply with the terms (including conditions and limitations) of any planning permission which has been granted in respect of the land by discontinuing any use of the land or by restoring the land to its condition before the breach took place; or
- (b) remedying any injury to amenity which has been caused by the breach.

(5) An enforcement notice may, for example, require-

- (a) the alteration or removal of any buildings or works,

- (b) the carrying out of any building or other operations,
- (c) any activity on the land not to be carried on except to the extent specified in the notice, or
- (d) the contour of a deposit of refuse or waste materials on land to be modified by altering the gradient or gradients of its sides.

(6) An enforcement notice issued in respect of a breach of planning control consisting of demolition of a building may require the construction of a building (in this section referred to as a "replacement building") which, subject to subsection (7), is as similar as possible to the demolished building.

(7) A replacement building-

- (a) must comply with any requirement imposed by or under any enactment applicable to the construction of buildings,
- (b) may differ from the demolished building in any respect which, if the demolished building had been altered in that respect, would not have constituted a breach of planning control, and
- (c) must comply with any regulations made for the purposes of this subsection (including regulations modifying paragraphs (a) and (b) of this subsection).

(8) An enforcement notice shall specify the date on which it is to take effect and, subject to section 131(3), shall take effect on that date.

(9) An enforcement notice shall specify the period for compliance with the notice at the end of which any steps are required to have been taken or any activities are required to have ceased, and may specify different periods for different steps or activities.

(10) Where different periods apply to different steps or activities, references in this Part to the period for compliance with an enforcement notice, in relation to any step or activity, are to the period at the end of which the step is required to have been taken or the activity is required to have ceased.

(11) An enforcement notice shall specify such additional matters as may be prescribed.

(12) Regulations may require every copy of an enforcement notice served under section 127 to be accompanied by an explanatory note giving prescribed information as to the right of appeal under section 130.

(13) Where-

- (a) an enforcement notice in respect of any breach of planning control could have required any buildings or works to be removed or any activity to cease, but does not do so, and
  - (b) all the requirements of the notice have been complied with,
- then, so far as the notice did not so require, planning permission shall be

treated as having been granted under section 33 in respect of development consisting of the construction of the buildings or works or, as the case may be, the carrying out of the activities.

(14) Where-

(a) an enforcement notice requires the construction of a replacement building, and

(b) all the requirements of the notice with respect to that construction have been complied with,

planning permission shall be treated as having been granted under section 33 in respect of development consisting of that construction.

Variation and withdrawal of enforcement notice.

**129.** - (1) The planning authority may-

(a) withdraw an enforcement notice issued by them, or

(b) waive or relax any requirement of such a notice and, in particular, may extend any period specified in accordance with section 128(9).

(2) The powers conferred by subsection (1) may be exercised whether or not the notice has taken effect.

(3) The planning authority shall, immediately after exercising the powers conferred by subsection (1), give notice of the exercise to every person who has been served with a copy of the enforcement notice or would, if the notice were reissued, be served with a copy of it.

(4) The withdrawal of an enforcement notice does not affect the power of the planning authority to issue a further enforcement notice.

Appeal against enforcement notice.

**130.** - (1) A person on whom an enforcement notice is served or any other person having an interest in the land may, at any time before the date specified in the notice as the date on which it is to take effect, appeal to the Secretary of State against the notice on any of the following grounds-

(b) that the matters which, by virtue of section 128(1)(a) have been stated in the notice, have not occurred;

(c) that those matters( if they occurred) do not constitute a breach of planning control;

(d) that, at the date when the notice was issued, no enforcement action could be taken in respect of any breach of planning control which may be constituted by those matters;

(e) that copies of the enforcement notice were not served as required by section 127;

(f) that the steps required by the notice to be taken, or the activities

required by the notice to cease, exceed what is necessary to remedy any breach of planning control which may be constituted by those matters or, as the case may be, to remedy any injury to amenity which has been caused by any such breach;

(g) that any period specified in the notice in accordance with section 128(9) falls short of what should reasonably be allowed.

(2) An appeal under this section shall be made either-

(a) by giving written notice of the appeal to the Secretary of State before the date specified in the enforcement notice as the date on which it is to take effect, or

(b) by sending such notice to him in a properly addressed and prepaid letter posted to him at such time that, in the ordinary course of post, it would be delivered to him before that date.

(c) by sending such notice to them using electronic communications at such time that, in the ordinary course of transmission, it would be delivered to them before that date.

(3) A person who gives notice under subsection (2) shall submit to the Secretary of State, either when giving the notice or within the prescribed time, a statement in writing-

(a) specifying the grounds on which he is appealing against the enforcement notice, and

(b) giving such further information as may be prescribed.

Appeals:  
supplementary  
provisions.

**131.** - (1) The Secretary of State may by regulations prescribe the procedure which is to be followed on appeals under section 130 and, in particular, but without prejudice to the generality of the foregoing provisions of this subsection, in so prescribing may-

(a) specify the matters on which information is to be given in a statement under section 130(3);

(b) require the planning authority to submit, within such time as may be specified, a statement indicating the submissions which they propose to put forward on the appeal;

(c) specify the matters to be included in such a statement;

(d) require the authority or the appellant to give such notice of an appeal as may be specified to such persons as may be specified;

(e) require the authority to send to the Secretary of State, within such period from the date of the bringing of the appeal as may be specified, a copy of the enforcement notice and a list of the persons served with copies of it.

(3) Where an appeal is brought under section 130 the enforcement notice shall be of no effect pending the final determination or the withdrawal of the appeal.

(4) Schedule 4 applies to appeals under section 130, including appeals under that section as applied by regulations under any other provisions of

this Act.

General provisions relating to determination of appeals.

**132.** - (1) On the determination of an appeal under section 130, the Secretary of State shall give directions for giving effect to the determination, including, where appropriate, directions for quashing the enforcement notice.

(2) On such an appeal the Secretary of State may-

(a) correct any defect, error or misdescription in the enforcement notice, or

(b) vary the terms of the enforcement notice,

if he is satisfied that the correction or variation will not cause injustice to the appellant or the planning authority.

(3) The Secretary of State may-

(a) dismiss an appeal if the appellant fails to comply with section 130(3) within the prescribed time, and

(b) allow an appeal and quash the enforcement notice if the planning authority fail to comply with any requirement imposed by virtue of paragraph (b), (c) or (e) of section 131(1).

(4) Where it would otherwise be a ground for determining an appeal in favour of the appellant that a person required by section 127(2) to be served with a copy of the enforcement notice was not served, the Secretary of State may disregard that fact if neither the appellant nor that person has been substantially prejudiced by the failure to serve him.

Grant or modification of planning permission on appeal against enforcement notice.

**133.** - (1) On the determination of an appeal under section 130, the Secretary of State may-

(d) determine whether on the date on which the appeal was made, any existing use of the land was lawful, any operations which had been carried out in, on, over or under the land were lawful or any matter constituting a failure to comply with any condition or limitation subject to which the permission was granted was lawful and, if so, issue a certificate under section 150.

(2) The provisions of sections 150 to 153 mentioned in subsection (3) shall apply for the purposes of subsection (1)(d) as they apply for the purposes of section 150, but as if-

(a) any reference to an application for a certificate were a

reference to the appeal and any reference to the date of such an application were a reference to the date on which the appeal is made, and

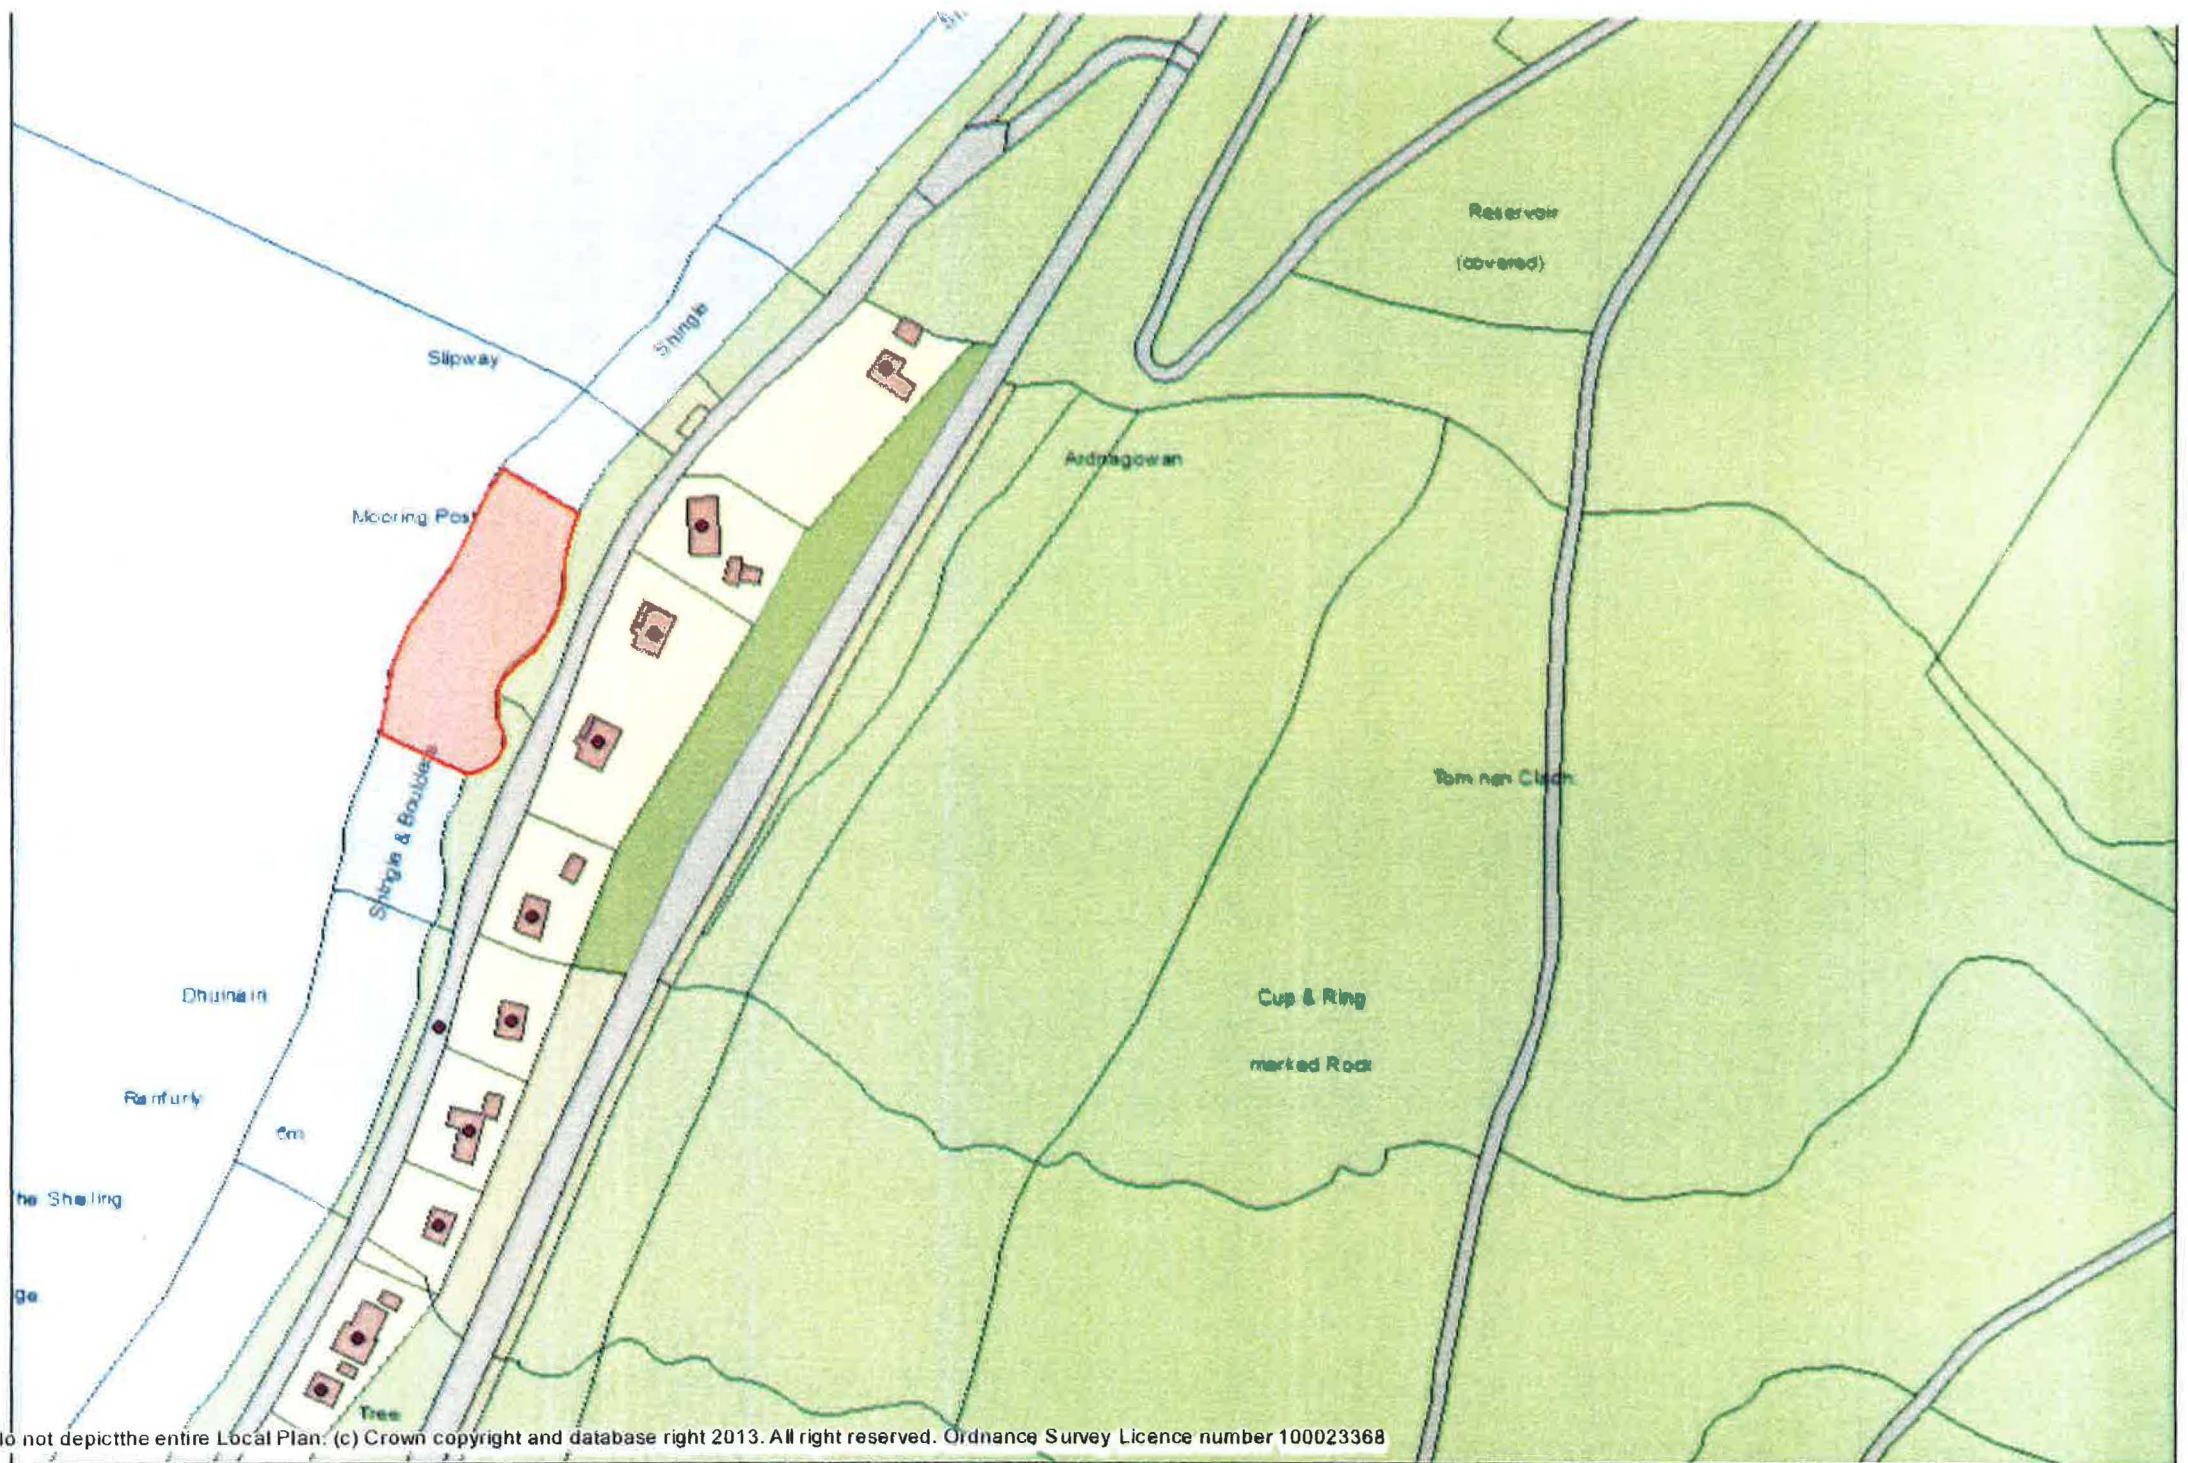

(b) references to the planning authority were references to the Secretary of State.

(3) Those provisions are sections 150(5) to (7), 152(4) (so far as it relates to the form of the certificate), (6) and (7) and 153.

Validity of  
enforcement  
notices.

**134.** The validity of an enforcement notice shall not be questioned in any proceedings whatsoever on any of the grounds specified in section 130(1)(b) to (e) except by appeal under that section
