

## Asset Transfer Request

### Expression of Interest Form

Argyll and Bute Council is committed to community asset transfer where that will bring benefits to communities and contribute towards achieving our aims and objectives, or significant, wider community benefit that would be likely to promote or improve the following as stated in the Argyll and Bute Single Outcome Agreement;

- Economic development
- Regeneration
- Public Health
- Social wellbeing, or
- Environmental wellbeing.

Argyll and Bute Council recognises that community asset transfer can be a valuable part of supporting and sustaining local communities in the area.

Before submitting an application interested voluntary and community organisations (VCOs) are encouraged to discuss their options, their suitability and the scope of community asset transfer with the council's Social Enterprise Team. These informal discussions will help resolve any issues that might rise during a formal Asset Transfer Request.

Argyll and Bute Council recognises that developing the business case and preparing a full Asset Transfer Request can be both time consuming and resource intensive for VCOs.

The option to raise an Expression Of Interest (EOI) has been designed to identify any potential issues a full ATR may come up against and to make sure VCO's meet the suitability criteria.

It should not take any VCO long to complete and should avoid the VCO wasting its valuable resources on a full request that may have little chance of success.

VCO's that fit the criteria will be designated a Community Transfer Body and be able to submit a full Asset Transfer Request.

We need the information detailed in the EOI form to be able to make an informed view on how best to support your request please fill in all sections of the form or mark "not applicable" if a section does not apply to you.

Please note;

The result of initial discussions, instigated from the response to any EOI does not prevent you from submitting of a full Asset Transfer Request under the requirements of the Community Empowerment (Scotland) Act 2015.

The intention of this early stage is to gather information and give support to VCO's.
