PLAY PARK ENGAGEMENT – UPDATE REPORT

2.0 INTRODUCTION

2.1 This report provides an update to the Play Park engagement responses for the Bute and Cowal Area Committee.

3.0 RECOMMENDATIONS

3.1 It is recommended that the Bute and Cowal Area Committee:

- Note the breakdown of engagement and consultation responses in each area with the majority of responses focussing on new/replacement equipment;
- Agree that officers make arrangements for a Business Day to agree how the funding will be spent in Bute and Cowal.

4.0 DETAIL

4.1 In August 2022, the Scottish Government confirmed a full 5 year funding package to all Scottish Local Authorities from 2020/21 through to 2025/26. Argyll and Bute Council will receive a total of £938k for Play Park funding.

4.2 The below table highlights the funding split for each area as well as the number of play parks, as per previous Environment, Development and Infrastructure Committee agreement, the funding was an indicative £33,500 per play park which, when the engagement process has been fully reviewed, this can be amended by the local Area Committee.

Area	Number of Play Parks	Funding Total
Helensburgh and Lomond	11	£368,500
Mid Argyll, Kintyre and the Islands	11	£368,500
Bute and Cowal	5	£167,500

Oban Lorn and the Isles	1	£33,500
TOTAL	28	£938,000

4.3 The March 2023 EDI Committee agreed a process for further engagement with other groups, including youth forums and relevant Community Councils.

4.4 Area Committee Business days with Elected members took place in 2022. A full engagement process has since taken place and the online engagement for adults and youths closed on Friday 14 July 2023 with the following update:-

- 1054 Adult Responses
- 408 Youth Responses

This was a remarkable return for the play park engagement process and highlights the depth of feeling play parks have on our communities who are clearly keen to express their views.

4.5 The responses were broken down as follows:

A Total of 1054 adult responses:

Area	New/Replacement Equipment	Health and Safety	Access for ALL
Bute and Cowal	146	35	64
Helensburgh and Lomond	226	74	54
Mid Argyll, Kintyre and Islands	215	40	37
Oban Lorn and the Isles	9	3	4

Out of the 1054 adult responses there were a total of 147 which were void either due to referring to a non-council play park or being unable to assess the correct location from the comments.

A Total of 408 Youth Responses:

Area	New/Replacement Equipment	Health and Safety	Access for ALL
Bute and Cowal	68	7	5
Helensburgh and Lomond	101	7	4 (Plus 2 don't know)

Mid Argyll, Kintyre and Islands	129	5	8 (plus 1 Don't Know)
Oban Lorn and the Isles	1	0	0

Out of the 408 young person responses there were a total of 70 which were void either due to referring to a non-council play park or being unable to assess the correct location from the comments.

A note of the responses to the engagement priorities from the Bute and Cowal community is attached at **Appendix 1** of this report.

4.6 The Council now requires to consider what equipment is needed for each play park. It is proposed that Area Business Days are arranged with Ward Members and officers will bring forward proposals which will be based on the feedback from the consultation.

4.7 The costings of **equipment only**:-

- Swings - £6500 + VAT
- Spring Seesaw - £2750 + VAT
- Climbing Net - £11,250.00 + VAT
- Wheel Chair Accessible Roundabout - £5000-£12000 +VAT

The funding for the Bute and Cowal area to cover its 5 play parks is £167,500.

4.8 The timeline for play parks is noted as follows:-

ACTION	TIMESCALE
Engagement with Community Councils and Education Department	Commenced March-May 2023
Engagement with Disability Forums	Expected to commence Autumn/Winter 2023
Area Business Days to agree how funding will be spent	Autumn (prior to Area Committee Meetings in December 2023)
Area Committee to formally agree the funding for each play park	December 2023
Procurement process (which will last 8 – 12 weeks)	Expected to commence early 2024

5.0 CONCLUSION

- 5.1 The Scottish Government has allocated a total of £938k for Play Park funding to Argyll and Bute Council for investment in play park equipment through to 2025/26 from the Capital Allocation for Renewal of Play Parks Fund.
- 5.2 Officers will make the necessary arrangements for a Bute and Cowal Area Committee Business Day to take place, which will allow officers to report to the December Area Committee to formally agree the funding for each play park in the area.

6.0 IMPLICATIONS

- 6.1 Policy – This project will be delivered within the Procurement tendering process however, as we have had two unsuccessful processes already as well as a direct award failure members should note that this may well delay matters and officers.
- 6.2 Financial – funded from grant funding from Scottish Government.
- 6.3 Legal – None known.
- 6.4 HR – None known.
- 6.5 Fairer Scotland Duty: None known
 - 6.5.1 Equalities - protected characteristics – engagement will take place with appropriate groups, including the disability forum, to provide a positive impact on our young people.
 - 6.5.2 Socio-economic Duty – None known.
 - 6.5.3 Islands – elements of renewal on all play parks, which therefore will not adversely affect islands.
- 6.6. Climate Change – we will endeavour to minimise carbon footprint of this project.
- 6.7 Risk – Failure to deliver within the allotted Scottish Government timescales may result in losing the budget allocated.
- 6.8 Customer Service – the intention of this funding is to provide better facilities for our customers.
