Note: When the Appointments Panel was established by the Council on 26 November 2009, the decision provided that if a Member of the Panel could not attend on any particular occasion the relevant Group Leader may appoint a substitute to be advised in advance of the meeting. Such notice should be given to the Director of Corporate Services. A substitute Member should have attended the training which has been provided in connection with these appointments. In addition if the Panel meets on the following dates (17, 19 and 25 February) to conduct interview for these posts it is not possible to substitute for only one of those dates.
