It was noted that on page 5, "Charette" should be spelt as "Charete".

#### **4. PARTNERS UPDATE**

##### **Scottish Fire and Rescue**

Derek Wilson from Scottish Fire and Rescue gave an update to the group on a number of recent activities and statistics over the last quarter. He confirmed that there has been a reduction on deliberate fires but an increase in accidental fires.

He updated the group on the campaign which they ran last year with Oban Phoenix Cinema to help promote home fire safety visits and advised that this year they are tasked with a number of events to further promote home fire safety visits with includes working with the Oban Winter Festival. He advised there have been 73 home fire safety visits in the last quarter and hope to have carried out more next quarter.

He confirmed that there have been no accidental dwelling fires but the number of road crashes and aeroplane crashes has increased.

Mr Wilson updated the group on the initiative which is ongoing throughout Argyll and Bute called 'Bikers Down' which invites bikers into local offices to offer first aid and provide information to reduce casualties.

He gave an update on the major fire incident which happened at the Mill Park depot and advised that 50 fire fighters were called out as a multi cylinder exploded at the time to cause a substantial fire. He confirmed that the fire was brought under control after 2 hours and that the Commander instantly put information online to inform people what was happening. He advised that officers came up from Hamilton to carry out a fire investigation.

Councillor Robertson congratulated Scottish Fire and Rescue on the way the fire was handled.

The Chair asked if there was any feedback available from the survey which was carried out at the start of the year. Mr Wilson agreed to look into this and circulate an update to the group.

##### **Police Scotland**

Sgt Mark Stephen gave an update to the group on Police Scotland's involvement with the fire at the Mill depot and advised that they worked closely with Scottish Fire and Rescue and were very impressed with the service they provided. He confirmed that Police Scotland took total control of the scene for investigation reasons and that they handed it back to the Council on the Monday. He advised that the Police investigation is still ongoing.

He referred to the recent press article which talked about closure of the Oban Police Station and confirmed that this was inaccurate and that there are no plans to close

the Oban Police Station. He advised that there have been discussions regarding the possibility of Police Scotland moving into Oban Community Fire Station Cllr Roberson intimated that she had been asked by Connel Community Council to request information on the custody arrangements if the Police Station was to move and information on this matter was given to the group. He also confirmed that the current officer covering Taynuilt has moved out of the area and while Police Scotland has agreed to give up the Police Station in Taynuilt for financial reasons, the level of police cover in the area would remain the same. He informed the group that the replacement officer had originally been on a summer secondment in Oban and is moving back to the area as he liked it and will start on 28<sup>th</sup> November.

He updated the group on the drink driving launch which is underway and spoke about the crime bakers initiative which will take place over winter where the CID in the mobile police unit will be about to detect people coming into the area. It was noted that Oban Live was such a success that it will increase in size next year which has great financial benefits for the town. He confirmed that they had no disturbances this year from a police perspective.

The newly appointed Youth Engagement Officer, PC Claire Brown was introduced to the group.

### **Argyll and Bute TSI**

Joan Best advised the group that they have a third sector network meeting on 28<sup>th</sup> November 2-4pm in the Glencruitten Church Hall about partnership working and the way forward and to help work better and apply for funding.

### **Adult Learning**

Brian Marden gave an update to the group on dyslexia week and advised they had two successful screenings in Oban library. He confirmed there was a lot of publicity on the website and they handed out a number of blue ribbons to show appreciation and awareness as well as turning McCaig's Tower blue for the week.

He advised that there is a model on Leon which goes live in January with resilience stories on adult learning and why it is important and how it has affected 10,000 people.

Mr Marden confirmed that Argyll and Bute Council are the first local authority in Scotland to receive their first award in Dyslexia awareness initiative.

He gave a further update to the group on Book Week Scotland and confirmed that as part of the book week Scotland celebrations, the Scottish book trust ran an online poll to identify the best Scottish book-to-film adaptation and Oban's choice were two classic films which were being shown in Oban Phoenix cinema at the end of the month – "The 39 Steps" and "Sunset Song".

## **5. STANDING ITEM: MANAGEMENT COMMITTEE UPDATE**

(a) **Update and Highlights from the Management Committee meeting held on 30th September 2016**

The group gave consideration to a briefing note, outlining the consideration of the Community Planning Partnership (CPP) to issues raised by Area CPG's at their meetings in August 2016; the Alcohol and Drug Partnership's Annual Report for 2015-16; updates to progress on the delivery of actions contained within the delivery plans for Outcomes 2 and 6 and a focus group session on the review of the Joint Health Improvement Plan (JHIP). It was noted that the Area CPG Chairs would be invited to attend future Management Committee meetings.

**Decision**

The group agreed to note the contents of the report and asked that strategic matters relating to the Parking Review be taken to the next Management Committee meeting.

(Ref: Briefing Note by Community Planning Manager, dated 17<sup>th</sup> November 2016, submitted.)

(b) **Local Partnership Plans: Locality Planning**

The Community Governance Manager took the Group through a briefing which provided an update on the current development work being undertaken on the Locality Plans following additional guidance recently issued by Scottish Government. A discussion followed regarding the potential for duplication with existing plans in the area, concerns regarding resources and whether there was a need for an additional plan in the area. It was noted that Locality Plans were contained within the Community Planning section of the Community Empowerment (Scotland) Act, however it was also noted that final guidance on how this should be implemented within CPP areas had not yet been issued and it was hoped that there would be further clarity on this by the February 17 round of meetings

**Decision**

The Group:

1. Noted the contents of the Briefing note;
2. Asked the Community Governance Manager to raise the potential for duplication with existing plans, concerns regarding resourcing activity and whether it was necessary to have a locality plan if existing plans adequately covered the area at the Management Committee meeting and;
3. Agreed the February 2017 Oban, Lorn and the Isles Community Planning Group meeting will focus on Locality Planning matters.

(Ref: Briefing update by Community Planning Manager dated 17<sup>th</sup> November 2016, submitted).

**6. COMMUNITY SAFETY**

(a) **Strategic Community Safety Coordinating and Tasking Partnership Update**

The Community Governance Manager took the Group through a briefing note on the Strategic Community Safety Tasking and Co-ordinating Partnership which highlighted the purpose, composition and key aims of the partnership.

**Decision**

The Group noted the contents of the briefing note.

(Ref: Briefing note by Community Governance Manager dated 17<sup>th</sup> November 2016, submitted)

(b) **Police Scotland - Your View Counts Survey**

The group gave consideration to a briefing in relation to the online survey - "Your view counts". Grant Manders advised that the survey, which can be found at [www.scotland.police.uk/yourviewcounts](http://www.scotland.police.uk/yourviewcounts) has been designed to allow communities to tell the Police what's important to them, at a time that's convenient to them, as its open all year round, around the clock. He advised that this new process is about accessibility and flexibility and that Police Scotland are continuing to meet directly with different communities across the country throughout the year, to ensure that everyone can have their say, whether they can access a computer or not.

**Decision:**

The group agreed to note the contents of the briefing.

(Ref: Briefing by Police Scotland, dated 17<sup>th</sup> November 2016, submitted).

**7. OUTCOME 4: CHILDREN AND YOUNG PEOPLE HAVE THE BEST POSSIBLE START**

(a) **Big Day Out & OLI Youth Summer Activities**

2 Students from North Argyll Youth Forum gave a presentation to the group on their German Exchange trip.

They spoke about the places they visited each day and explained a statistics test they done on lifestyle in Scotland and in Germany. Members were very interested in the differences between Scotland and Germany and short discussion on the points raised ensued. It was noted that a return exchange visit was planned and members expressed an interest in hearing more about this in due course.

The Group also considered a report on the 'Big Day Out' which is an annual event open to all young people in Argyll and Bute aged between 12 and 17.

**Decision**

The group noted the report and presentation.

(Ref: Report and Presentation by North Argyll Youth Forum dated 17<sup>th</sup> November 2016, submitted).

(b) **North Argyll Carers Centre Update**

The Group considered a presentation from North Argyll Carers Centre. They spoke about the definition of a young carer, what they do and the support service provided by North Argyll Carers Centre.. There was a general discussion about the benefit of the services provided and the challenges faced by young carers There was discussion about the funding challenges relating to delivering the service and the implications of recent legislation.

**Decision**

The group noted the information provided and the importance of the work that is being carried out by the group.

(Ref: Presentation by North Argyll Carers Centre dated 17<sup>th</sup> November 2017, submitted).

(c) **CONTEST Strategy - Preventing the radicalisation of children online**

The group gave consideration to a briefing outlining the UK Government's counter-terrorism strategy (CONEST), the aim of which is to reduce the risk to the UK and its interests overseas from terrorism, so that people can go about their lives freely and with confidence.

The Youth Engagement Officer, Claire Brown, gave an update to the group on the work being undertaken with young people within the area.

**Decision**

The group agreed to note the contents of the briefing.

(Ref: Briefing note by Police Scotland, dated 17<sup>th</sup> November 2016, submitted).

(d) **Children and Families Health and Care Social Partnership**

A short briefing paper giving information relating to the Children's Plan was tabled at the meeting.

**8. OUTCOME 3: EDUCATION, SKILLS AND TRAINING MAXIMISES OPPORTUNITIES FOR ALL**

(a) **CLD Partnership Plan**

The Group considered a progress update report on the work carried out by the Argyll and Bute Strategic CLD Partnership with the publication of a

web based Community Learning and Development Plan.

**Decision**

The Group noted the contents of the report and agreed to include consideration of learning and development opportunities when discussing Locality Planning at the February meeting.

(Ref: Report by Adult Learning Manager dated 17<sup>th</sup> November 2016, submitted)

(b) **Growing the Gaelic Language in Oban, Lorn and the Isles**

The group considered a presentation from Claire Wilding in regard to education in the Gaelic language Oban.

Discussion took place on how the gaelic education is growing across Scotland. Ms Wilding advised of the benefits and the career paths which can be taken. There was also discussion regarding the benefits of having separate Gaelic speaking schools rather than using Gaelic Medium units attached to an English speaking school and Ms Wilding confirmed that the group are actively working towards establishing a separate Gaelic speaking primary school within the area.

**Decision**

The group noted the information provided.

(Ref: Presentation by Claire Wilding dated 17<sup>th</sup> November 2017, submitted).

**9. DATE OF NEXT MEETING - THURSDAY 16 FEBRUARY 2016 AT 2PM IN THE CORRAN HALLS, OBAN**

It was noted that the February Oban, Lorn and the Isles Area Community Planning Group will focus on Locality Planning and the Community Governance Manager will circulate further information once it is available.

**Briefing Note: Community Planning Partnership Management Committee update**

---

This briefing relates to the meeting of the Community Planning Partnership (CPP) Management Committee on 20<sup>th</sup> December, and its consideration of issues raised by Area Community Planning Groups. The briefing is for noting.

### Summary

The CPP Management Committee met on the 20<sup>th</sup> December in Kilmory, Lochgilphead.

Discussion points from the meeting included agenda items on:

- Issues raised at previous Area Community Planning Groups
- A focused discussion on points highlighted by the Oban, Lorn and the Isles Area Community Planning Group
- Updates to progress on the delivery of actions contained within the delivery plans for Outcomes 3: Education, skills and training maximises opportunities for all and Outcome 4: Children and young people have the best possible start
- A presentation on the Local Development Plan 2 and upcoming consultation on this

Further information is available in the *meetings, minutes and agendas* section of:

<https://www.argyll-bute.gov.uk/council-and-government/community-planning-partnership>

### Key Points for Consideration

Issues raised in Area Community Planning Groups at their last meetings were considered and actioned by the Management Committee.

Issue 1 - Advise whether a current Chair can stand for re-election at the end of their two year tenure in the position of Chair

*The Management Committee had no issue with a Chair standing for re-election after the end of their initial two year tenure requested the Terms of Reference be revised to consider 2-3 terms (of two years) maximum.*

Issue 2 - Provide further advice and guidance on what is required under the Community Empowerment (Scotland) Act with regards to locality planning before the February round of meetings

*The Management Committee agreed that it is preferable not to have too many plans. Embedding, and referencing existing plans into a locality plan should be a consideration. It was agreed that the February Area Community Planning Groups would be the start of the journey and that the locality plans would have a targeted focus on communities within the four areas.*

Issue 3 - Consider the impact of the increase in the number of camper vans/mobile homes visiting the area and issues relating to the level of facilities provided for the vehicles on both island and remote mainland communities

*It was agreed that better information, marketing and promotion was needed for camper vans/mobile homes visiting the area to tackle the negative issues experienced by communities. Work on this requires working with Calmac. It was agreed that this was an action for the Council's Roads and Amenity Services Department to consider further. Jennifer Nicol commented that HIE are supporting some communities with this and could link in to an action on this.*

Issue 4 - Consider how best to ensure that funders are aware of the particular challenges faced by third sector organisations and community groups running services, projects and initiatives within the Argyll and Bute CPP area.

*The CPP Management Committee agreed on the need for funding organisations to take better consideration of rurality in their assessment process, and the need to fund things that work, with less emphasis on new.*

*The Chief Executive from Argyll and Bute Third Sector Interface (TSI) advised that the TSI were already talking to the Big Lottery regarding Health and Social Care Partnership Locality Plans and are encouraging groups to tie the outcomes of projects to local outcomes sighted in plans to have a much better opportunity to demonstrate value and gain funding.*

*It was agreed that Lorna Elliott, Community Governance Manager at the Council, would put those requiring assistance in touch with the TSI.*

*It was recognised that the development of 'locality plans' for Community Planning will be helpful for discussions with funders such as The Big Lottery. It was agreed to keep this on the agenda in order to broker a solution in future.*

## **Key Points for Discussion**

The Management Committee welcomes the opportunity to discuss further any of the issues raised at Area Community Planning Groups. Communicating community planning is a priority for the Partnership and we welcome the distribution of the attached highlights to increase awareness of what happens at a Management Committee meeting.

**For further information please contact: Rona Gold, Community Planning Manager, [rona.gold@argyll-bute.co.uk](mailto:rona.gold@argyll-bute.co.uk)**

These highlights from the Argyll and Bute Community Planning Partnership (CPP) Management Committee meeting held on the 20<sup>th</sup> December 2016 are for information purposes for Area Community Planning Groups and partner organisations to distribute freely.

- The Chair welcomed Area Community Planning Group chairs, attending the meeting for the first time, as official members of the Management Committee.
- Management Committee heard proposals for the engagement of people in the Local Development Plan 2 – Main Issue process. Engagement will make use of a new Place Standard Tool, developed by NHS Scotland and Scottish Government.
- Meetings are taking place to develop a Community Justice Transition Plan for Argyll and Bute. The aim of this is to provide a community partnership approach to reducing reoffending.
- Funding has been gained to run a project aimed at supporting young people, in particular young men, with support to prevent mental health crisis.
- The 2016-2020 Community Safety Strategy was launched at the CPP Management Committee.

Full details of the meeting of the CPP management committee can be found on Argyll and Bute Council Website.

**Briefing Note: Area CPG Terms of Reference Amendment – clarification relating to length of time Office Bearers can hold office**

---

This briefing relates to a proposed amendment to the Area Community Planning Groups Terms of Reference

**Summary**

During the November 16 round of Area CPG meetings, the OLI CPG members asked for clarification as to whether a current office bearer would be able to stand for re-election at the end of their two year tenure should they wish to do so.

As this point was not explicitly covered in the current Terms of Reference, there was a short discussion on the matter at the 20<sup>th</sup> December 2016 CPP Management Committee meeting and it was recommended that the Area CPG Terms of reference should be amended to read as follows:

**Chair**

- *The Chair and Vice Chair of the [insert name] Area Community Planning Group will be elected by the members of the group and will be appointed for a period of two years.*
- *The outgoing Chair and Vice Chair can stand for re-election at the end of the two year period.*
- *However, no one person can serve in the role of Chair or Vice Chair for more than two consecutive two year periods.*

**Recommendations**

Partners are requested to approve the proposed amendment to the Area CPG Terms of Reference and to note that all current office bearers would be able to stand for election to a second term in office should they wish to do so

**Key Points for Consideration**

Several office bearers are coming to the end of their two year period in office and a summary of dates elections are due to take place is shown in the table below

Round of Meetings When Office Bearers Election is Due				
Position	OLI CPG	MAKI CPG	H&L CPG	B&C CPG
Chair	May 17	November 17	May 17	May 17
Vice Chair	May 18	November 17	November 18	May 17

**Briefing Note:** Background Information to support Agenda item 6. Community Planning Outcome Profile Tool - Community Profiles

---

**Purpose:** to have a focused discussion regarding the outcomes and inequalities of outcomes experienced by communities in the CPG Area within the context of Community Planning, the Single Outcome Agreement's overarching objectives and the Community Empowerment (Scotland) Act Locality Planning legislation to ascertain whether there are potential areas of need that should be drawn to the attention of the CPP Management Committee.

**Output:** a briefing note summarising the findings to be forwarded to the next Management Committee Meeting

**Format:** facilitated discussion using information provided by the Community Planning Outcome Profile Tool (CPOP) and local knowledge.

The following key questions will be the main focus of discussion:

- Does the information provided by the CPOP reflect local knowledge regarding where/what communities in the area the CPP should be focussing on?
- Do existing plans/ initiative address the needs identified by the CPOP?
- Are there issues/potentially unmet needs that may require further investigation and should be to be drawn to the Management Committees attention?
- Have any learning needs been identified during the discussion that should be fed back to the Community Learning & Development team Strategy Group?

**Supporting Materials**

- Background information of the Community Planning Outcome Profile Tool has been attached in appendix 1
- A map showing the Community Planning Outcome Profile Tool Intermediate Geographies has been attached in appendix 2
- A list of community action plans currently being delivered in the area has been attached in appendix 3 for information.
- A list of strategic plans being delivered in the area has been attached in appendix 4 for information

**For further information please contact: Lorna Elliott, Community Governance Manager 01631 567995**

## **Appendix 1 – Community Planning Outcome Profile**

### **What is the profile?**

- An overarching, high-level tool for you to assess if the lives of your communities are improving over time.
- A consistent basis for you to profile your local area in relation to core measures of outcomes and measures of inequalities of outcomes.
- A small set of core measures included reflects key life outcomes across early years, older people, safer/stronger communities, health and wellbeing and employment/economy.

### **What does the profile tell you?**

- The overall pattern of outcomes in your area and whether the life of your community is improving over time
- Any changes in inequality of outcomes across your CPP.
- Those communities who are faring well below the norm for your area, and below that compared to similar communities elsewhere in Scotland.
- How specific types of community do in your area and elsewhere in Scotland – identifying opportunities for learning.

### **How will the profile be used?**

- As a decision support tool which stimulates discussion amongst CP boards, individual partners and with local communities.
- As an important element of the strategic intelligence available, sitting alongside professional judgement and local knowledge.
- To inform the development of Local Outcome Improvement Plans

### **How is this approach different?**

- Bringing together core outcome measures and measures of inequality in outcomes for all 32 partnerships within one profile.
- Considering outcomes ‘in the round’ as well as individually - encouraging a focus on the most vulnerable communities where negative outcomes are clustered.
- Enabling partnerships to compare outcomes for their local communities against those for similar communities elsewhere in Scotland. This uses a ‘typology’ which groups all 1235 communities (based on Intermediate Geography Zones) into types based on known characteristics that affect outcomes, such as income, rurality and demography

**Further information along with a downloadable version of the tool can be found at the following link <http://www.improvementservice.org.uk/community-planning-outcomes-profile.html>**
