Discussion was had in relation to the geography of the area and the possible Ferry Users Groups that the Ferry Committee could link into. Mr Gordon advised that the group would be best served on the Clyde Ferry Users Group.

Further discussion took place in respect of the frequency of meetings of the Ferry Committee and the representation of Strategic Partners at both the Ferry Committee and Ferry Users Group and to how the newly formed "Ferry Committee" would gain recognition by the Ferry Users Group with Mr Gordon confirming that he would contact HITRANS to advise of the formation of the group.
