SUPPORTING COMMUNITIES FUND 2019/20

2.0 INTRODUCTION

- 2.1 The report details recommendations for the award of the Supporting Communities Fund to Third Sector organisations for Oban, Lorn and the Isles.
- 2.2 Applications are considered once a year. This is intended to ensure allocation of the full budget at one meeting and enable organisations to have the maximum amount of time within the financial year to utilise the funds.
- 2.3 The total Supporting Communities Fund budget made available by the Council for allocation in Oban, Lorn and the Isles for 2019/20 is £24,500. In addition, there is a carry forward from the financial period 2018/19 of £750 from returned grant funding making a total amount available for allocation of £25,250.
- 2.4 24 applications have been received, 2 of which are for Events and Festivals. 17 are new applicants.

3.0 RECOMMENDATIONS

- 3.1 It is recommended that 13 of the 24 organisations listed in the table within section 4.0 are awarded funding from the Supporting Communities Fund budget totalling £25,250.
- 3.2 Grants will only be awarded funding on receipt of the correct paperwork and an End of Project monitoring form (if a grant was awarded in previous year).

4.0 DETAIL

- 4.1 The applicants are listed in alphabetical order in Table 1 below. The applicants recommended for award of funding are indicated by the recommended award shown. Unsuccessful applicants are marked 'no award'.
- 4.2 24 eligible applications were received in Oban, Lorn and the Isles. The process of scoring applications against criteria remains the same as in previous years of the fund. 13 projects of the 24 projects listed are recommended to receive funding.
- 4.3 Applicants can receive full funding of their project up to a maximum of £2,500. It may be the case that some projects have an element of reliance upon other funds. Delivery of any project funded will be monitored in the same way as previous years and so any spend not incurred will be returned.
- 4.4 Information on resources and training available to support organisations looking for alternative funding will be given to groups which are not recommended for an award.
