The Provost on behalf of the Council extended congratulations to all of the pupils and staff, in particular to David Mitchell, Head Teacher and Paul Gallanagh, Principal Teacher of Business and Computing at Dunoon Grammar School for all of their hard work.

The Provost on behalf of the Council acknowledged the achievements of Scotland Rugby Union star Magnus Bradbury a former pupil of Oban High School who started playing rugby with Oban Lorne RFC.

Magnus had represented Scotland U17 and Scotland U18 and made his U18 international debut against England in March 2013 and his Scotland U20 debut came in January 2014. On the 19th November 2016 Magnus earned his first cap at full Scotland international level. On Sunday Magnus played his part in an epic Rugby World Cup match which unfortunately ended in a 28 – 21 defeat to an exciting Japanese pack.

The whole of Argyll and Bute can be proud of what Magnus has achieved and the Council wished him well for the future.

Congratulations also to the Mid Argyll “Gerry Hattricks” on winning an international walking football tournament in Portugal.

1. APOLOGIES FOR ABSENCE

Apologies for absence were intimated from Councillors Anderson, Devon, Forrest, McCuish, McGrigor, McKenzie, Morgan and Paterson.

2. DECLARATIONS OF INTEREST

There were no declarations of interest intimated.

3. BUDGET 2020/21 SAVINGS OPTIONS

The Council considered a recommendation by the Policy and Resources Committee with regard to savings options identified by officers for consideration for financial year 2020-21 and beyond.

Motion

The Council:-

1. Agree as part of the 2020-21 budget process, to endorse the management/operations savings identified.
2. Note the policy options that had been identified with further information on the options to be brought forward to Council as part of the 2020-21 budget papers.
3. Note that officers would continue to identify further savings over the coming months to bridge the gap.
4. Note that the Head of Customer and Support Services would take forward a statutory consultation process with the Trade Unions for those savings options that could have a direct impact on jobs.
5. Note that the Policy and Resources Committee and Council meeting in February 2020 have been postponed by one week to allow officers time to finalise the budget pack assuming that there are similar delays to knowing the final funding settlement as has been the case over the last three years.
6. Agree to endorse COSLA’s ask of the Scottish Government, that present budgets have a minimum uplift of inflation plus 3% and additionally all new commitments and duties are fully funded by the Scottish Government; noting that even this doesn’t necessarily address the challenges we face delivering services across such a geographically diverse area.

Moved by Councillor A Morton, seconded by Councillor Mulvaney
