

East Kintyre Community Council
Annual AGM Report

Having received grants totaling £26552.00, the number of grants made showed an increase over last year.

Our tranche distributions are held in May and November.

After some rejections 29 grants were agreed in the year.

However, two grants were made for emergency drawdown but neither was call on.

Our philosophy continues to be to support a large number of grants by keeping each grant between a range of £200 to a maximum of £4,000.

A list of the grants made is attached along with a copy of our Annual Accounts.

We were delighted to receive an additional grant from Beinn an Tuirc in the current year.

One issue to be addressed is as follows:-

- a) A&B, for Beinn & Tuirc 1, sent the cheque for EKCCWFT to WKCC and visa versa
- b) Can the cheques in future not only being sent to the correct destination but also to the WFT account instead of the Council!

J Stuart Irvine
Acting Chairman and Treasurer
