

AUDIT COMMITTEE ANNUAL REPORT 2014/15

Introduction by the Chair of Audit Committee

This report provides an overview of the Audit Committee's activity during the financial year 2014/15.

I am pleased to report that the Audit Committee continued to focus its efforts on effectively discharging its functions and responsibilities in accordance with the Chartered Institute of Public Finance and Accountancy (CIPFA) guidance of 2004 entitled "Audit Committee principles in local authorities in Scotland: a guidance note".

The Audit Committee met quarterly throughout the financial year i.e. March, June, September, and December; the meetings were attended by representatives of the Head of Governance and Law, the Head of Strategic Finance, the Chief Internal Auditor, Audit Scotland along with other Council Officers as and when requested to attend.

In 2014/15, the following Councillors served on the Audit Committee; Gordon Blair, Maurice Corry, Iain MacDonald, Richard Trail and Michael Breslin. In respect of the Chair and Vice Chair posts, I, Martin Caldwell continued in the role of Chair with Sheila Hill as Vice Chair.

In looking forward to 2015/16 and beyond, and given the significant financial pressures facing the Council, the importance of an effective Audit Committee remains critical. Along with my fellow members I look forward to meeting the challenges ahead and continuing to add value to the Council's governance framework.

2.0 Audit Committee's Effectiveness and Impact

2.1 The Audit Committee's role is to ensure that the Council's internal control framework and governance arrangements are operating effectively. The Audit Committee receives and reviews reports covering:

- External and Internal Audit Annual Plans and Audit Reports;
- Quarterly Progress Reports on Internal Audit Plan;
- Audit Recommendation Follow up Reports;
- Risk Management Reports;
- Corporate Performance Audit Report;
- Council's Assurance & Improvement Plan;
- Financial Statements;
- Treasury Management Assurance Report;
- National Reports;
- National Fraud Initiative Reports; and
- Performance Management Annual review /assurance report.

2.2 The Audit Committee has the right to request updates after reviewing submitted reports. This approach afforded the Audit Committee the opportunity to ask directly key questions and receive assurances. In addition, the Audit Committee can routinely challenge management when agreed audit recommendations implementation dates were missed.

2.3 Audit Scotland in March 2014 presented their Annual Audit Plan setting out their approach to the audit of the Council, reflecting their statutory duties and risk based approach. The Audit Plan was considered by the Audit Committee and accepted. Internal audit also presented their annual audit plan for 2014/15 which was approved.

2.4 I am pleased to be able to note that Member attendance at quarterly meetings has significantly improved from previous years. In order to ensure the Audit Committee builds on its effectiveness and maintains a positive impact and high profile within the Council it is essential that members continue to attend scheduled meetings.

2.5 In its ongoing development the Audit Committee has introduced a number of changes resulting in additional assurance and improved effectiveness. These are:

- Securing an Assurance Mapping report for the Council
- Developing communication protocols between Internal and External Audit
- Securing an Annual Audit and Risk report from the Chief Executive.
- Ensuring reporting formats are in line with Public Sector Internal Audit Standards (PSIAS);
- Strengthening the process of annual audit plan preparation by requesting draft version for early discussion.
- Undertaking Effectiveness self -evaluation using CIPFA guidance documentation

- Introduction of informal Effectiveness / development sessions prior to Audit Committee meetings.
- 2.6 Increased management attendance at Committee meetings has allowed members to challenge officers actively in relation to findings and recommendations within reports. It is intended that where reports are of limited assurance level then relevant management /officer representation will be available as matter of course.

3. Assurances

3.1 Internal Audit Assurance

- 3.1.1 Internal Audit is a key source of assurance for both members and management on the effectiveness of the control environment. The Committee has a responsibility for ensuring that Internal Audit is effective in the provision of this assurance.
- 3.1.2 The Committee has received regular reports and information from the Chief Internal Auditor including:
- Internal Audit's risk based planning methodology and annual audit plan;
 - Regular progress reports;
 - An Annual report from the Chief Internal Auditor in line with best practice in the CIPFA code for Internal Audit in Local Government which provided an opinion on the control environment and the effectiveness Internal Audit activity.
- 3.1.3 Control weaknesses are effectively dealt with due to the Committees' continued emphasis on the importance of fully implementing Internal Audit recommendations.

3.2 External Audit Assurance

- 3.2.1 External Audit is an essential part of the process of accountability and assurance for public funds, providing an independent opinion on the financial statements, and reviewing aspects of governance and financial management. Working closely with Internal Audit, the External Audit programme ensures that statutory responsibilities are delivered, without the duplication of audit work. Both programmes are submitted to the Audit Committee for scrutiny.
- 3.2.2 Assurance was received from external auditors, Audit Scotland, for 2013/14 financial statements as follows:
- They presented a true and fair view in accordance with applicable law;
 - The accounts prepared properly in accordance with IFRS; and
 - The accounts prepared properly in accordance with Local Government Act (Scotland) 1973.
- 3.2.3 External Audit is required to report by exception on a number of areas in relation to their audit, namely accounting records, statement of governance and control, availability of information and explanation and failure to achieve a prescribed financial objective. External Audit reported no exceptions in respect of these matters for 2013/14.

- 3.2.4 In their 13/14 report, External Audit included a review of internal audit and concluded that overall the internal audit service operates in accordance with Public Sector Internal Audit Standards (PSIAS) and has sound documentation standards and reporting procedures in place.

3.3 Systems of Risk Management

- 3.3.1 It is the role of the Audit Committee to gain assurance on the adequacy of the system of internal controls and on the adequacy of the system of risk management. The role of the Audit Committee is to test the adequacy of the arrangements in place to manage risk. The Audit Committee in 2014/15 received risk management reports and these showed continued progress by the Council in the development and regular review of risk management systems. The Audit Committee has agreed to maintain its focus on seeking assurance on the development of adequate systems of risk management. The Audit Committee commissioned and secured an Assurance Mapping report which was prepared by Grant Thornton, Internal Audit Strategic partners. The Chief Executive also presented a report to the committee on Audit and Risk arrangements.

3.4 Governance & Internal Control

- 3.4.1 In accordance with the CIPFA/SOLACE guidance note for Scottish Local Authorities, issued in May 2009, the completed Local Code of Governance 2013/14, together with an Action plan, was presented and reviewed at the June 2014 Audit Committee meeting. The draft Statement of Governance & Internal Control was also reviewed and approved for inclusion in the Annual Accounts, subject to External Audit feedback.

- 3.4.2 The draft Statement of Governance & Internal Control was informed by the:

- Work of officers within the Council;
- Work of External and Internal Audit;
- Statements of governance or internal control provided by external bodies;
- External review and inspection reports and
- Recommendations from the Audit Committee.

The content of the Governance Statement and the process for preparing the Governance Statement will be reviewed for 2014-15 financial year end.

4. Looking Ahead

- 4.1 Argyll and Bute Council is currently incurring an External Audit fee at the higher level as a result of increased correspondence from members of the public. It is the desire of the Audit Committee in carrying out its activities to endeavour to add additional assurance in respect of governance, risk and control processes which will hopefully contribute to a possible reduction in external audit fees.
- 4.2 The Committee is committed to self-evaluation and continuous improvement. Effectiveness sessions are planned to continue throughout the forth-coming year and members contributions are fully appreciated. Focus will continue to be on the role of the Audit Committee, developing skillset and expertise to allow effective challenge together with developing links with the work of the Scrutiny committee.

5.0 Independence

5.1 To assist in preserving the Committee's independence and provide a clear distinction between the Audit Committee and the Performance Review and Scrutiny Committee measures are in place including:

- The appointment of an independent chair and vice chair; and
- Clear terms of reference for both Committees

5.2 There are areas where Audit and Scrutiny naturally combine and a protocol for joined up working or areas of collaboration will be developed during 15/16. Initial discussion have taken place between the both Chairpersons and respective officer support.

6.0 Training and Development

6.1 The Council continues with its Internal Audit partnership approach with Grant Thornton which has proved very beneficial in terms of PSIAS compliance, strategic support and specialist discreet areas of work.

6.2 Audit Committee Effectiveness sessions have taken place throughout the year, aimed at addressing themes arising from analysis of the CIPFA self-assessment exercise. It is anticipated that these will continue throughout 15/16 although the frequency may be reviewed. Any specific training requirements or requests will be addressed as and when they arise.

7.0 Conclusion

7.1 Based on the reports received and reviewed by the Committee and the follow up work requested, it is the opinion of the Audit Committee that substantial assurance can be placed upon the adequacy and effectiveness of the Council's internal control system in 2014/15. It is noted that a number of reports did have limited assurance however active monitoring / follow up of recommendations and management actions during the year leads to an overall substantial opinion grading.

7.2 Throughout 2014/15 the Audit Committee evolved and continues to evolve with an agreed framework of reporting which allows it to undertake appropriate assessment of the Council's progress in addressing identified issues covering risk, governance and internal control. With a solid base established in this regard, the Committee continues to adopt a pro-active posture on the Council's operations.

Audit Committee performance has been aided through the expertise and contribution from its Members during 2014/15.
