## Agenda Item 6

# Area Community Planning Groups – Terms of Reference and Revised Ways of Working

## **Summary**

The following report provides information relating to the implementation of the current Terms of Reference and the revised ways of working which have now been in operation for a period of one year. Members are requested to provide feedback on how they think the current processes are working which will be fed to the CPP Management Committee for comment.

## 1. Purpose

1.1 This report asks the Area CPG to consider and review the current Terms of Reference and ways of working.

#### 2. Recommendations

2.1 The Area CPG is asked to provide feedback on the current Terms of Reference and the revised ways of working which have now been in operation for a period of one year.

## 3. Background

3.1 A review of Local Community Planning took place in July 2014, with the outcome of the review being a revised set of Terms of Reference and ways of working which was agreed by the Oban, Lorn and the Isles CPG at the meeting held on 11 March 2015. One of the recommendations was that the revised ways of working were undertaken on a trial basis for a period of one year, with a review on their effectiveness being carried out by the CPP Management Committee and the Council's Policy and Resources Committee.

## 4. Detail

4.1 The Terms of Reference and the revised ways of working have now been in operation for the Oban, Lorn and the Isles CPG for a period of one year. In that

- time, the membership of the CPG has changed, and the meetings are now chaired by Mrs Margaret Adams, Chair of Ardchattan Community Council.
- 4.2 Part of the revised ways of working involved the introduction of a pre-agenda process which allows the Chair and Vice Chair to have input on the setting of the agendas in advance of the front sheet agenda being issued to the wider Group members. There is also a more structured format for the meetings, with the aim being that the CPG will consider the 2 Outcomes from the SOA that will be discussed by the CPP Management Committee at their next meeting. This has allowed for effective dialogue from the CPG to the Management Committee, and also facilitates the sharing of information in that forum. The CPP Management Committee then feeds information back to the CPG in the form of a highlight report which comes to every meeting.
- 4.3 The introduction of the SOA Locals has also taken place in the last year. The information in these is now used to facilitate discussion on the inclusion of agenda items for the CPG meetings, this has led to a number of interesting agenda items and discussions at the meetings.
- 4.4 At the CPP Management Committee held in September 2015, Members commented on the success of the local CPG's, highlighting the good work and information sharing which is taking place. It is also noted that there is a better engagement with the community, which is evident in that 3 of the CPG meetings are now Chaired by a member of the community, with the other CPG having a vice-chair from the Third Sector Interface.

## 5. Conclusions

5.1 Members are asked to consider the information contained in the report and to review the current Terms of Reference which are attached as an Appendix, and to give views on how they think the current processes are working which can be fed to the CPP Management Committee for comment.

## 6. SOA Outcomes

Not applicable. The report relates to the administration of the Area CPG.
