

Agenda item 22 – Motion SO13 – Council 30th June 2016

The Council :

- 1) Notes the Scottish Government has published its delivery plan for Education in Scotland – “Delivering Excellence and Equity in Scottish Education”. The Plan includes a number of very significant commitments that will impact upon the local authorities’ current responsibility to deliver Education to our communities;
- 2) Considers, in light of the above, the motion premature and instructs Education Services to consider all aspects of the plan and bring forward reports to the Community Services Committee and Council as appropriate.

Proposer: Councillor Rory Colville
