Main objective was to provide shinty equipment for young players unable to purchase essential equipment due to lack of funding. Inclusion is our main aim & promoting social & developmental well-being through sports. Oban Lorn has gone from strength - strength & have supported/encouraged

1st year - 15-17 - 2nd year 25 kids - going into 3rd year we will have a ladies team. we have contact with primary schools - one coach assists P3 - presently

4 What difference did your project make? (This section should also include examples of how individual participants/services users experienced the project/activity -case studies/quotes can be used)

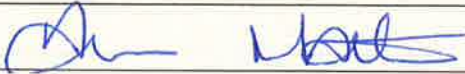

Kids have been actively involved in organised sports activities including - Camanach Assoc Competition - U14 level. Ft William - Fraser Macleod 6's - Some YIP were quoted saying they enjoyed taking part in Competitions and enjoyed the socialising aspect.

5 Key Learning Points Please detail any unexpected outcomes (positive and negative) including anything that would be done differently in the future.

- Bullying - Coaches monitored & listened to younger kids - negative - bullying @ school - transferring shirts
Positive - Child protection officer notified, letter with details of C.P. procedures given to all parents/carers, C.P. talk with all participants, regular communication - players/family/carer.

6 Do you have any comments to help us improve the grant process?

Grant process is fair and very valued as a new up-coming club we are grateful to have received funding - our aim is to involve YIP in year raising - I cannot see how change would make a difference.
