- 1.2 Further to all the comments, suggestions and amendments that were captured and fed back at the EDAP consultation workshops held in each administrative area during May 2016, it became apparent that there were a number of common actions to be delivered in partnership by staff in the Economic Development and Strategic Transportation service with key stakeholders across Argyll and Bute. **ARGYLL AND BUTE COUNCIL'S STRATEGIC ECONOMIC DEVELOPMENT ACTION
PLAN 2016/2021**

2. INTRODUCTION

2.1 The purpose of this paper is to seek approval from the EDI Committee on the proposed Argyll and Bute Council's Strategic EDAP, 2016-2021.

3. RECOMMENDATIONS

3.1 Members are asked to:

- Note the content of this paper and that the Strategic EDAP has already been considered by all four Area Committees, with appropriate members' comments incorporated.
- Recommend that the Strategic EDAP is endorsed by the Council as a working document as outlined in **Appendix 1**.

4. DEVELOPMENT, PREPARATION AND DELIVERY OF THE STRATEGIC EDAP

4.1 The overarching challenge for the Argyll and Bute economy is to retain its population, particularly the young people, by improving and enhancing the skills profile of the area by rebalancing to a higher skilled workforce able to obtain higher value employment which in turn will attract higher earnings.

4.2 The revised Strategic EDAP will now focus on opportunities for economic growth aligned to the four priorities (referred to as '4i's) outlined in Scotland's Economic Strategy:

- Investment;
- Innovation;
- Internationalisation; and
- Inclusive growth.

The 'Investment' priority in Scotland's Economic Strategy focuses on investment in 'Infrastructure'. Given that this is a significant issue for Argyll and Bute as a whole, 'Infrastructure' has been considered as a key priority, as presented in **Figure 1** below.

Figure 1: Economic Growth Framework for Argyll and Bute

4.3 On consideration of all appropriate comments, suggestions and amendments that were captured and fed back at the EDAP consultation workshops held in each administrative area during May 2016, it became apparent that there were a number of common actions to be delivered in partnership by staff in the Economic Development and Strategic Transportation service with key stakeholders across Argyll and Bute. Therefore, it was identified that there was a requirement for the preparation of a refreshed overarching Argyll and Bute Strategic EDAP, 2016-2021 to replace the current 2013-2018 document. Some of these issues were as follows:

- digital and mobile connectivity;
- the actions and outcomes to be developed and delivered through the Council’s Single Investment Plan (includes a digital focus);
- marketing and promotion of Argyll and Bute across key sectors;
- business support with a focus on the delivery of the Business Gateway, Local Growth Accelerator Programme (50% funded by ERDF monies) across the whole of Argyll and Bute;
- skills development and modern apprenticeship opportunities; and
- access to key European funding sources such as Argyll and the Islands LEADER and European Maritime and Fisheries programmes.

4.4 It is recognised that housing development, the new schools and other substantive transformational concepts and projects that may be taken forward through the Single Investment Plan are all of significant importance to the sustainable economic growth of Argyll and Bute as a whole.

5. CONCLUSION

- 5.1 This report provides the EDI Committee with a revised Strategic EDAP aligned as appropriate to the four priorities outlined in Scotland's Economic Strategy. Argyll and Bute Council's Strategic EDAP is a working document for 2016-2021 to enable economic growth opportunities to be included as they arise.

6. IMPLICATIONS
