DECEMBER 2016**

* **3. PROPOSED VARIATION OF PATH AGREEMENTS TO FACILITATE
TRANSFER OF THE DALRIADA TRUST TO THE BLARBUIE FOREST
ENTERPRISE**

Consideration was given to a report advising that the Dalriada Trust, a partnership which maintains footpaths within Kilmartin Glen, is proposing to transfer its liabilities and assets to the Blarbuie Forest Enterprise in order to achieve the most efficient use of funds available for the maintenance liabilities. In order to do this the Dalriada Trust is asking that four path agreements between the Council and private landowners are varied to identify the Blarbuie Forest Enterprise as the Council's agent.

Decision

Committee agreed:-

- 1) to support the proposed transfer of the Dalriada Trust's assets and liabilities to the Blarbuie Woodland Enterprise, subject to the appointment of a Council representative on the Board of Blarbuie Woodland Enterprise;
- 2) to authorise Officers to seek agreement of the landowners to, and make variation of, the path agreements such that Blarbuie Woodland Enterprise becomes the agent of the Council; subject to Blarbuie Woodland Enterprise satisfactorily taking on the assets and liabilities of the Dalriada Trust and the appointment of a Council representative on its Board; and
- 3) to recommend to Council that a representative of the Council is appointed to the Board of Blarbuie Woodland Enterprise.**
