

These highlights from the Argyll and Bute Community Planning Partnership (CPP) Management Committee meeting held on the 20th December 2016 are for information purposes for Area Community Planning Groups and partner organisations to distribute freely.

- The Chair welcomed Area Community Planning Group chairs, attending the meeting for the first time, as official members of the Management Committee.
- Management Committee heard proposals for the engagement of people in the Local Development Plan 2 – Main Issue process. Engagement will make use of a new Place Standard Tool, developed by NHS Scotland and Scottish Government.
- Meetings are taking place to develop a Community Justice Transition Plan for Argyll and Bute. The aim of this is to provide a community partnership approach to reducing reoffending.
- Funding has been gained to run a project aimed at supporting young people, in particular young men, with support to prevent mental health crisis.
- The 2016-2020 Community Safety Strategy was launched at the CPP Management Committee.

Full details of the meeting of the CPP management committee can be found on Argyll and Bute Council Website.
