RE: Plannning Application 16/01321/PP - 16/0007/LRB [OFFICIAL]

Subject:

Classification: OFFICIAL

Good afternoon

I refer to the further information submitted by the applicants in an e-mail dated 10 January 2017.

With regards to the information submitted, the Planning Service would like to make the following comments.

The Planning Service does not consider that the submitted Tree Survey contains sufficient information on the extent of tree and vegetation cover within the proposed development site to allow an informed judgement to be made. The survey is not accompanied by a map showing the position of the trees to be removed in relation to the position for the proposed dwellinghouse, nor does it contain information on the health of the trees proposed to be removed.

You will note that this e-mail has been copied to all interested parties.

Thank you for allowing the Planning Service to comment.

Kind regards

Fiona
