

Motion– Policy and Resources Committee, Thursday 17th August 2017

Item 15 - Land at Graham's Point, Kilmun

The Policy and Resources Committee:

1. Notes the information contained in the report;
2. Welcomes the confirmation from Argyll Community Housing Association that it will carry out grass cutting at the land at Graham's Point, given that the site remains in its possession and the council does not wish to take the land back into council ownership;
3. Agrees that should any community group come forward expressing interest in becoming involved in the future of the site, the council will do what it can to support and facilitate this.

Proposer: Councillor Aileen Morton

Seconder: Councillor Gary Mulvaney
