Matters Raised by Area Community Planning Group Chairs

Bute and Cowal, Willie Lynch Chair.

Issue: Declining look and feel of Dunoon town is of concern.

Response: Concerns were acknowledged, it was stated that difficult financial times were impacting. Work to improve Dunoon is ongoing, and recently the Council had a fund to which communities could apply to help environmental improvement in their area.

Helensburgh and Lomond, Morevain Martin, Vice Chair.

Issue: MOD personnel potentially looking to live out-with the base and the implications and opportunities from this are key topics of discussion.

Response: There are working groups of community planning partners looking at aspects of this including housing.

Issue: Greater Glasgow and Clyde Health Board are undertaking a review of the out of hours service provided by the Vale of Leven Hospital which is causing significant concern within the Helensburgh and Lomond area.

Response: Health and Social Care Locality Planning is leading on dealing with this issue.

Mid Argyll, Kintyre and the Islands. Andy Buntin Chair

Issue: The short list of regeneration projects for Lochgilphead, Ardrishaig and Tarbert were agreed at the MAKI Area Committee and business cases are being developed for these. It is hoped that they will provide much needed regeneration.

Response: This was noted.

Oban, Lorn and the Isles

Issue: Road safety is a big concern and road closures over the recent period have been frequent and impactful on the community.

Response: Highlands and Islands Enterprise highlighted a mobile phone application (App) developed for the area of Arran which provides information on all aspects of driving on Arran. Police took an action to provide information on the West of Scotland / Arran App to Argyll and Bute's road safety group for consideration.
