## **Area Community Planning Group Membership**

---

### **1. Purpose**

- 1.1 The purpose of this report is to provide members with the current membership detail for the Area Community Planning Group (Area CPG) and to ask the Area CPG to consider the changes outlined at Appendix 2, together with the seven additional organisations who have, through local circumstances, joined the ACPG since membership was agreed in March 2015.

### **2. Recommendations**

2.1 Area CPG members are requested to:

- Consider the current membership of the group as attached and agree any changes which may be required.
- Agree that the membership of the group be reviewed on an annual basis to ensure currency and appropriateness for the work of the group as it develops over time.

### **3. Detail**

- 3.1 The membership of the Area Community Planning Groups was last reviewed in March 2015, the details of that are attached at Appendix 1.
- 3.2 The group is currently being asked to review the Terms of Reference for their way of working, and should take the opportunity to review group membership at the same time.
- 3.3 It should be noted that membership will continue to be reviewed on a regular basis by the Area CPG and there is provision for additional organisations to join the group at a later date to accommodate local circumstances, but that a formal review should be carried out on an annual basis to ensure currency and appropriateness for the work of the group as it develops over time.

#### **4. Conclusions**

4.1 Given that almost two and a half years have elapsed since membership of CPGs was last reviewed the group is asked to consider current membership and agree any changes which they may feel are necessary at this time.

#### **5. SOA Outcomes**

Not applicable. The report relates to the administration of the Area CPG.

#### **Name of Lead Officer**
