Dear Fiona,

Thank you for sending me the latest position on this planning application.

At 1.2 of Cameron Planning request for Review of the rejection on Planning Application 16/01835/PP it states :

“Helensburgh Community Council enthusiastically supported the planning application.”

This is a gross misrepresentation of the Community Council’s position. While it did not formally object to the application it was very critical of many aspects of the proposed design and made a number of suggested improvements to it. As can be seen in the attached.

Thank You

Nigel Millar
