STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

£1,000 was given by John Patrick Crichton-Stuart, 3rd Marquess of Bute, on 12 April 1897 (the date of his silver wedding) to Rothesay Town Council. Noted in the Rothesay Town Council Minutes 12/04/1897 and 10/05/1897.

Appointment of Trustees

The trustees of the charities are the elected members (councillors) of Argyll and Bute Council. Trustees are appointed through their election to Argyll and Bute Council.

Organisational Structure

The trustees (as the elected members of the council) meet once a year at the AGM to consider and approve the annual report and financial statements and any other business such as future plans and the reorganisation of trust funds. The trustees delegate the day to day administration of the charities to officers of the Council. The Council has established a range of committees with delegated powers to allow it to discharge its business effectively. This includes the management of charities. The Council has an approved constitution that governs the conduct of business by the Council and covers standing orders for meetings, a scheme of administration and delegation, financial and security regulations, contract standing orders and an ethical framework.

Related Parties

Trustees hold this position because they are elected members of Argyll and Bute Council. Argyll and Bute Council provides administration services to the Trust.

Risk Management

The Head of Strategic Finance of Argyll and Bute Council has taken the steps required by trustees to consider the major risks to which the charity is exposed, in particular those related to its operation and finance, and to be satisfied that the systems are in place to mitigate the exposure to the major risks.

Management of Funds and Investment Policy

The Trustees rely upon the expertise of Argyll and Bute Council to manage the investments to ensure the maximum return at least risk to the charity. In this way, the income stream for the future benefit of the charity is protected.

The funds of the charity are deposited with Argyll and Bute Council. There are two local bonds with a total of £2,400 (see note 8). For the balance of the funds the charity receives interest at the average market rate for the Council's borrowing. The interest received from Argyll and Bute Council is shown in the Statement of Receipts and Payments.

OBJECTIVES AND ACTIVITIES

The objective of the fund is to provide a donation to one or two girls from the poorer classes on their wedding.

ACHIEVEMENTS AND PERFORMANCE

In the year to 31 March 2017 no grants were issued.

FINANCIAL REVIEW

Overview

No grants were issued during 2016-17. Income during 2016-17 came from interest from deposits with Argyll and Bute Council of £15 (2015-16: £27) and local bond interest of £29 (2015-16: £26). The trust held cash and bank of £7,494 as at 31 March 2017 (2015-16: £7,450) and local bonds totalling £2,400 (2015-16: £2,400).

Trustees' Annual Report – For the Year ended 31 March 2017

Reserves Policy

The unrestricted free reserves at the financial year-end were £6,494 (2015-16 £6,450). This includes cash and bank only repayable on demand. The Trust has no explicit reserves policy, but the “capital” of the fund (as identified from the governing documents or available evidence) is held effectively as a permanent endowment, with only the annual income available for disbursement in the year via the unrestricted reserve. The unrestricted reserves are available for the objects of the trust.

FUTURE PLANS

Argyll and Bute Council are continuing to conduct a review of all its charitable trusts with a view to gaining approval from OSCR to reorganise under Section 39-45 of the Charities and Trustees Investment (Scotland) Act 2005 and the 2007 Regulations.

CONCLUSION

The charity made no grants during 2016-17.

Since 2013-14 an audit is required to be carried out by the appointed auditor of Argyll and Bute Council in accordance with the requirements of the Local Government (Scotland) Act 1973.

The appointed auditor of Argyll and Bute Council is Audit Scotland and the Trustees would like to thank them for undertaking this task.

Independent auditor's report to the trustees of Marquess of Bute Silver Wedding Dowry fund and the Accounts Commission

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice approved by the Accounts Commission, I do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.

Report on the audit of the financial statements

Opinion on financial statements

I certify that I have audited the financial statements in the statement of accounts of Marquess of Bute Silver Wedding Dowry Trust for the year ended 31 March 2017 under Part VII of the Local Government (Scotland) Act 1973 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005. The financial statements comprise the Statement of Receipts and Payments, the Statement of Balances and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and a receipts and payments basis.

In my opinion the accompanying financial statements:

- properly present the receipts and payments of the charity for the year ended 31 March 2017 and their statement of balances at that date; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005, and regulations 9(1), (2) and (3) of The Charities Accounts (Scotland) Regulations 2006.

Basis of opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK and Ireland (ISAs (UK&I)). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the charities in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standards for Auditors, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the trustees for the financial statements

The trustees are responsible for the preparation of financial statements which properly present the receipts and payments of the charity, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the financial statements

My responsibility is to audit and express an opinion on the financial statements in accordance with applicable legal requirements and ISAs (UK&I) as required by the Code of Audit Practice approved by the Accounts Commission. Those standards require me to comply with the Financial Reporting Council's Ethical Standards for Auditors. An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the circumstances of the charity and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements.

My objectives are to achieve reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK&I) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Other information in the statement of accounts

The trustees are responsible for the other information in the statement of accounts. The other information comprises the information other than the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon except on matters prescribed by the Accounts Commission or required by applicable law to the extent explicitly stated later in this report.

In connection with my audit of the financial statements in accordance with ISAs (UK&I), my responsibility is to read all the financial and non-financial information in the statement of accounts to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by me in the course of

performing the audit. If I become aware of any apparent material misstatements or inconsistencies I consider the implications for my report.

Report on other requirements

Opinion on other prescribed matter

I am required by the Accounts Commission to express an opinion on the following matter. In my opinion, based on the work undertaken in the course of the audit the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with The Charities Accounts (Scotland) Regulations 2006.

Matters on which I am required to report by exception

I am required by The Charity Accounts (Scotland) Regulations 2006 to report to you if, in my opinion:

- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- I have not received all the information and explanations I require for my audit.

I have nothing to report in respect of these matters.

FINANCIAL REVIEW

Overview

The trust is dormant. The only source of income during 2016-17 came from interest from deposits with Argyll and Bute Council of £21 (2015-16 £35) and Local Bond Interest £1 (2015-16 £1). The trust held cash at bank of £9,853 as at 31 March 2017 (2015-16 £9,831).

Reserves Policy

The unrestricted free reserves in cash at bank at the financial year-end were £6,803 (2015-16 £6,781). The Trust has no explicit reserves policy, but the “capital” of the fund (as identified from the governing document or available evidence) is held effectively as a permanent endowment, with only the annual income available for disbursement in the year via the unrestricted reserve. The unrestricted reserves are available for the objects of the trust.

FUTURE PLANS

Argyll and Bute Council are continuing to conduct a review of all its charitable trusts with a view to gaining approval from OSCR to reorganise under Section 39-45 of the Charities and Trustees Investment (Scotland) Act 2005 and the 2007 Regulations.

CONCLUSION

The charity did not undertake any activities during the year.

Since 2013-14 an audit is required to be carried out by the appointed auditor of Argyll and Bute Council in accordance with the requirements of the Local Government (Scotland) Act 1973.

The appointed auditor of Argyll and Bute Council is Audit Scotland and the Trustees would like to thank them for undertaking this task.

Independent auditor's report to the trustees of Baillie Gillies Bequest and the Accounts Commission

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice approved by the Accounts Commission, I do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.

Report on the audit of the financial statements

Opinion on financial statements

I certify that I have audited the financial statements in the statement of accounts of Baillie Gillies Bequest for the year ended 31 March 2017 under Part VII of the Local Government (Scotland) Act 1973 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005. The financial statements comprise the Statement of Receipts and Payments, the Statement of Balances and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and a receipts and payments basis.

In my opinion the accompanying financial statements:

- properly present the receipts and payments of the charity for the year ended 31 March 2017 and their statement of balances at that date; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005, and regulations 9(1), (2) and (3) of The Charities Accounts (Scotland) Regulations 2006.

Basis of opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK and Ireland (ISAs (UK&I)). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the charities in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standards for Auditors, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the trustees for the financial statements

The trustees are responsible for the preparation of financial statements which properly present the receipts and payments of the charity, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the financial statements

My responsibility is to audit and express an opinion on the financial statements in accordance with applicable legal requirements and ISAs (UK&I) as required by the Code of Audit Practice approved by the Accounts Commission. Those standards require me to comply with the Financial Reporting Council's Ethical Standards for Auditors. An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the circumstances of the charity and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements.

My objectives are to achieve reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK&I) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Other information in the statement of accounts

The trustees are responsible for the other information in the statement of accounts. The other information comprises the information other than the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon except on matters prescribed by the Accounts Commission or required by applicable law to the extent explicitly stated later in this report.

In connection with my audit of the financial statements in accordance with ISAs (UK&I), my responsibility is to read all the financial and non-financial information in the statement of accounts to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by me in the course of

performing the audit. If I become aware of any apparent material misstatements or inconsistencies I consider the implications for my report.

Report on other requirements

Opinion on other prescribed matter

I am required by the Accounts Commission to express an opinion on the following matter. In my opinion, based on the work undertaken in the course of the audit the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with The Charities Accounts (Scotland) Regulations 2006.

Matters on which I am required to report by exception

I am required by The Charity Accounts (Scotland) Regulations 2006 to report to you if, in my opinion:

- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- I have not received all the information and explanations I require for my audit.

I have nothing to report in respect of these matters.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

A bequest of £1,000 was made by William Kidston towards the upkeep of Kidston Park (formerly Cairndow or Cairndhu Park) in April 1889. It was noted in the minutes of a meeting of the Town Council of the Burgh of Helensburgh.

Appointment of Trustees

The trustees of the charities are the elected members (councillors) of Argyll and Bute Council. Trustees are appointed through their election to Argyll and Bute Council.

Organisational Structure

The trustees (as the elected members of the council) meet once a year at the AGM to consider and approve the annual report and financial statements and any other business such as future plans and the reorganisation of trust funds. The trustees delegate the day to day administration of the charities to officers of the Council. The Council has established a range of committees with delegated powers to allow it to discharge its business effectively. This includes the management of charities. The Council has an approved constitution that governs the conduct of business by the Council and covers standing orders for meetings, a scheme of administration and delegation, financial and security regulations, contract standing orders and an ethical framework.

Related Parties

Trustees hold this position because they are elected members of Argyll and Bute Council. Argyll and Bute Council provides administration services to the Trust.

Risk Management

The Head of Strategic Finance of Argyll and Bute Council has taken the steps required by trustees to consider the major risks to which the charity is exposed, in particular those related to its operation and finance, and to be satisfied that the systems are in place to mitigate the exposure to the major risks.

Management of Funds and Investment Policy

The Trustees rely upon the expertise of Argyll and Bute Council to manage the investments to ensure the maximum return at least risk to the charity. In this way, the income stream for the future benefit of the charity is protected.

The funds of the charity are deposited with Argyll and Bute Council. The charity receives interest at the average market rate for the Council's borrowing. The interest received from Argyll and Bute Council is shown in the Statement of Receipts and Payments.

OBJECTIVES AND ACTIVITIES

The objective of the fund is to provide a public park, or recreation ground for the inhabitants of Helensburgh and for the purposes of boating and bathing in the Gareloch.

ACHIEVEMENTS AND PERFORMANCE

In the year to 31 March 2017, there were no grants made.

FINANCIAL REVIEW

Overview

The trust is dormant. Income during 2016-17 came from interest from deposits with Argyll and Bute Council of £9 (2015-16 £11). The trust held cash and bank of £4,200 as at 31 March 2017 (2015-16 £4,191).

Reserves Policy

The unrestricted free reserves at the financial year-end were £3,200 (2015-16: £3,191). This includes cash and bank only repayable on demand. The Trust has no explicit reserves policy, but the “capital” of the fund (as identified from the governing documents or available evidence) is held effectively as a permanent endowment, with only the annual income available for disbursement in the year via the unrestricted reserve. The unrestricted reserves are available for the objects of the trust.

FUTURE PLANS

Argyll and Bute Council are continuing to conduct a review of all its charitable trusts with a view to gaining approval from OSCR to reorganise under Section 39-45 of the Charities and Trustees Investment (Scotland) Act 2005 and the 2007 Regulations.

CONCLUSION

The charity did not undertake any activities during the year.

Since 2013-14 an audit is required to be carried out by the appointed auditor of Argyll and Bute Council in accordance with the requirements of the Local Government (Scotland) Act 1973.

The appointed auditor of Argyll and Bute Council is Audit Scotland and the Trustees would like to thank them for undertaking this task.

Independent auditor's report to the trustees of Kidston Park Endowment fund and the Accounts Commission

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice approved by the Accounts Commission, I do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.

Report on the audit of the financial statements

Opinion on financial statements

I certify that I have audited the financial statements in the statement of accounts of Kidston Park Endowment Trust for the year ended 31 March 2017 under Part VII of the Local Government (Scotland) Act 1973 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005. The financial statements comprise the Statement of Receipts and Payments, the Statement of Balances and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and a receipts and payments basis.

In my opinion the accompanying financial statements:

- properly present the receipts and payments of the charity for the year ended 31 March 2017 and their statement of balances at that date; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005, and regulations 9(1), (2) and (3) of The Charities Accounts (Scotland) Regulations 2006.

Basis of opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK and Ireland (ISAs (UK&I)). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the charities in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standards for Auditors, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the trustees for the financial statements

The trustees are responsible for the preparation of financial statements which properly present the receipts and payments of the charity, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the financial statements

My responsibility is to audit and express an opinion on the financial statements in accordance with applicable legal requirements and ISAs (UK&I) as required by the Code of Audit Practice approved by the Accounts Commission. Those standards require me to comply with the Financial Reporting Council's Ethical Standards for Auditors. An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the circumstances of the charity and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements.

My objectives are to achieve reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK&I) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Other information in the statement of accounts

The trustees are responsible for the other information in the statement of accounts. The other information comprises the information other than the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon except on matters prescribed by the Accounts Commission or required by applicable law to the extent explicitly stated later in this report.

In connection with my audit of the financial statements in accordance with ISAs (UK&I), my responsibility is to read all the financial and non-financial information in the statement of accounts to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by me in the course of

performing the audit. If I become aware of any apparent material misstatements or inconsistencies I consider the implications for my report.

Report on other requirements

Opinion on other prescribed matter

I am required by the Accounts Commission to express an opinion on the following matter. In my opinion, based on the work undertaken in the course of the audit the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with The Charities Accounts (Scotland) Regulations 2006.

Matters on which I am required to report by exception

I am required by The Charity Accounts (Scotland) Regulations 2006 to report to you if, in my opinion:

- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- I have not received all the information and explanations I require for my audit.

I have nothing to report in respect of these matters.

**Independent auditor's report to the trustees of Miss Annie Dickson Bequest and the
Accounts Commission**

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice approved by the Accounts Commission, I do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.

Report on the audit of the financial statements

Opinion on financial statements

I certify that I have audited the financial statements in the statement of accounts of Miss Annie Dickson Bequest for the year ended 31 March 2017 under Part VII of the Local Government (Scotland) Act 1973 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005. The financial statements comprise the Statement of Receipts and Payments, the Statement of Balances and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and a receipts and payments basis.

In my opinion the accompanying financial statements:

- properly present the receipts and payments of the charity for the year ended 31 March 2017 and their statement of balances at that date; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005, and regulations 9(1), (2) and (3) of The Charities Accounts (Scotland) Regulations 2006.

Basis of opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK and Ireland (ISAs (UK&I)). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the charities in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standards for Auditors, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the trustees for the financial statements

The trustees are responsible for the preparation of financial statements which properly present the receipts and payments of the charity, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the financial statements

My responsibility is to audit and express an opinion on the financial statements in accordance with applicable legal requirements and ISAs (UK&I) as required by the Code of Audit Practice approved by the Accounts Commission. Those standards require me to comply with the Financial Reporting Council's Ethical Standards for Auditors. An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the circumstances of the charity and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements.

My objectives are to achieve reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK&I) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Other information in the statement of accounts

The trustees are responsible for the other information in the statement of accounts. The other information comprises the information other than the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon except on matters prescribed by the Accounts Commission or required by applicable law to the extent explicitly stated later in this report.

In connection with my audit of the financial statements in accordance with ISAs (UK&I), my responsibility is to read all the financial and non-financial information in the statement of accounts to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by me in the course of

performing the audit. If I become aware of any apparent material misstatements or inconsistencies I consider the implications for my report.

Report on other requirements

Opinion on other prescribed matter

I am required by the Accounts Commission to express an opinion on the following matter. In my opinion, based on the work undertaken in the course of the audit the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with The Charities Accounts (Scotland) Regulations 2006.

Matters on which I am required to report by exception

I am required by The Charity Accounts (Scotland) Regulations 2006 to report to you if, in my opinion:

- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- I have not received all the information and explanations I require for my audit.

I have nothing to report in respect of these matters.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

Ex-Bailie J. Arnold Fleming of Locksley, Helensburgh, invested the sum of £200 in the names of the Provost, Magistrates and Councillors of the Burgh of Helensburgh, for the Logie Baird Prize Fund. Noted in the minutes of the Town Council of Helensburgh, January 1956.

Appointment of Trustees

The trustees of the charities are the elected members (Councillors) of Argyll and Bute Council. Trustees are appointed through their election to Argyll and Bute Council.

Organisational Structure

The trustees (as the elected members of the Council) meet once a year at the AGM to consider and approve the annual report and financial statements and any other business such as future plans and the reorganisation of trust funds. The trustees delegate the day to day administration of the charities to officers of the Council. The Council has established a range of committees with delegated powers to allow it to discharge its business effectively. This includes the management of charities. The Council has an approved constitution that governs the conduct of business by the Council and covers standing orders for meetings, a scheme of administration and delegation, financial and security regulations, contract standing orders and an ethical framework.

Related Parties

Trustees hold this position because they are elected members of Argyll and Bute Council. Argyll and Bute Council provides administration services to the Trust.

Risk Management

The Head of Strategic Finance of Argyll and Bute Council has taken the steps required by trustees to consider the major risks to which the charity is exposed, in particular those related to its operation and finance, and to be satisfied that the systems are in place to mitigate the exposure to the major risks.

Management of Funds and Investment Policy

The Trustees rely upon the expertise of Argyll and Bute Council to manage the investments to ensure the maximum return at least risk to the charity. In this way, the income stream for the future benefit of the charity is protected.

The funds of the charity are deposited with Argyll and Bute Council and receive interest at the average market rate for the Council's borrowing. The interest received from Argyll and Bute Council is shown in the Statement of Receipts and Payments.

OBJECTIVES AND ACTIVITIES

The objective of the fund is for the advancement of education by providing an annual prize to a pupil at Hermitage Academy, Helensburgh.

ACHIEVEMENTS AND PERFORMANCE

In the year to 31 March 2017, there were no grants made.

FINANCIAL REVIEW

Overview

The trust is dormant. The only source of income during 2016-17 came from interest from deposits with Argyll and Bute Council of £4 (2015-16 £7). The trust had cash and bank of £1,919 as at 31 March 2017 (2015-16 £1,915).

Reserves Policy

The unrestricted free reserves in cash and bank at the financial year-end were £1,719 (2015-16 £1,715). The Trust has no explicit reserves policy, but the “capital” of the fund (as identified from the governing document or available evidence) is held effectively as a permanent endowment, with only the annual income available for disbursement in the year via the unrestricted reserve. The unrestricted reserves are available for the objects of the trust.

FUTURE PLANS

Argyll and Bute Council are continuing to conduct a review of all its charitable trusts with a view to gaining approval from OSCR to reorganise under Section 39-45 of the Charities and Trustees Investment (Scotland) Act 2005 and the 2007 Regulations.

CONCLUSION

The charity did not undertake any activities during the year.

Since 2013-14 an audit is required to be carried out by the appointed auditor of Argyll and Bute Council in accordance with the requirements of the Local Government (Scotland) Act 1973. The appointed auditor of Argyll and Bute Council is Audit Scotland and the Trustees would like to thank them for undertaking this task.

Independent auditor's report to the trustees of Logie Baird Prize Fund and the Accounts Commission

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice approved by the Accounts Commission, I do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.

Report on the audit of the financial statements

Opinion on financial statements

I certify that I have audited the financial statements in the statement of accounts of Logie Baird Prize Fund for the year ended 31 March 2017 under Part VII of the Local Government (Scotland) Act 1973 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005. The financial statements comprise the Statement of Receipts and Payments, the Statement of Balances and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and a receipts and payments basis.

In my opinion the accompanying financial statements:

- properly present the receipts and payments of the charity for the year ended 31 March 2017 and their statement of balances at that date; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005, and regulations 9(1), (2) and (3) of The Charities Accounts (Scotland) Regulations 2006.

Basis of opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK and Ireland (ISAs (UK&I)). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the charities in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standards for Auditors, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the trustees for the financial statements

The trustees are responsible for the preparation of financial statements which properly present the receipts and payments of the charity, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the financial statements

My responsibility is to audit and express an opinion on the financial statements in accordance with applicable legal requirements and ISAs (UK&I) as required by the Code of Audit Practice approved by the Accounts Commission. Those standards require me to comply with the Financial Reporting Council's Ethical Standards for Auditors. An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the circumstances of the charity and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements.

My objectives are to achieve reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK&I) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Other information in the statement of accounts

The trustees are responsible for the other information in the statement of accounts. The other information comprises the information other than the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon except on matters prescribed by the Accounts Commission or required by applicable law to the extent explicitly stated later in this report.

In connection with my audit of the financial statements in accordance with ISAs (UK&I), my responsibility is to read all the financial and non-financial information in the statement of accounts to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by me in the course of

performing the audit. If I become aware of any apparent material misstatements or inconsistencies I consider the implications for my report.

Report on other requirements

Opinion on other prescribed matter

I am required by the Accounts Commission to express an opinion on the following matter. In my opinion, based on the work undertaken in the course of the audit the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with The Charities Accounts (Scotland) Regulations 2006.

Matters on which I am required to report by exception

I am required by The Charity Accounts (Scotland) Regulations 2006 to report to you if, in my opinion:

- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- I have not received all the information and explanations I require for my audit.

I have nothing to report in respect of these matters.

Independent auditor's report to the trustees of the McCaig Trust and the Accounts Commission

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice approved by the Accounts Commission, I do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.

Report on the audit of the financial statements**Opinion on financial statements**

I certify that I have audited the financial statements in the statement of accounts of McCaig Trust for the year ended 31 March 2017 under Part VII of the Local Government (Scotland) Act 1973 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005. The financial statements comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the United Kingdom Accounting Standards, including Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In my opinion the accompanying financial statements:

- give a true and fair view of the state of affairs of the charity as at 31 March 2017 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005, and regulation 8 of The Charities Accounts (Scotland) Regulations 2006.

Basis of opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK and Ireland (ISAs (UK&I)). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the charity in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standards for Auditors, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I

believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the trustees for the financial statements

As explained more fully in the Statement of Responsibilities, the trustees are responsible for the preparation of financial statements that give a true and fair view in accordance with the financial reporting framework, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the financial statements

My responsibility is to audit and express an opinion on the financial statements in accordance with applicable legal requirements and ISAs (UK&I) as required by the Code of Audit Practice approved by the Accounts Commission. Those standards require me to comply with the Financial Reporting Council's Ethical Standards for Auditors. An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the circumstances of the charity and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements.

My objectives are to achieve reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK&I) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Other information in the statement of accounts

The trustees are responsible for the other information in the statement of accounts. The other information comprises the information other than the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon except on matters prescribed by the Accounts Commission or required by applicable law to the extent explicitly stated later in this report.

In connection with my audit of the financial statements in accordance with ISAs (UK&I), my responsibility is to read all the financial and non-financial information in the statement of accounts to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by me in the course of performing the audit. If I become aware of any apparent material misstatements or inconsistencies I consider the implications for my report.

Report on other requirements

Opinion on other prescribed matter

I am required by the Accounts Commission to express an opinion on the following matter. In my opinion, based on the work undertaken in the course of the audit the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with the Charities SORP (FRS 102).

Matters on which I am required to report by exception

I am required by The Charity Accounts (Scotland) Regulations 2006 to report to you if, in my opinion:

- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- I have not received all the information and explanations I require for my audit.

I have nothing to report in respect of these matters.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

The Trust is a scheme under the Education (Scotland) Acts, 1939 to 1956, for the future government and management of certain educational endowments in the County of Argyll. Formed by the amalgamation of fourteen individual endowments and approved by His Late Majesty King George V in Council on 24th July, 1933.

Robert MacFie of Airds and Oban, sugar refiner in Liverpool, died 1899. His will confirmed and recorded in 1899 a bequest of £150.

Appointment of Trustees

The trustees of the charities are the elected members (councillors) of Argyll and Bute Council. Trustees are appointed through their election to Argyll and Bute Council.

Organisational Structure

The trustees (as the elected members of the council) meet once a year at the AGM to consider and approve the annual report and financial statements and any other business such as future plans and the reorganisation of trust funds. The trustees delegate the day to day administration of the charities to officers of the Council. The Council has established a range of committees with delegated powers to allow it to discharge its business effectively. This includes the management of charities. The Council has an approved constitution that governs the conduct of business by the Council and covers standing orders for meetings, a scheme of administration and delegation, financial and security regulations, contract standing orders and an ethical framework.

Related Parties

Trustees hold this position because they are elected members of Argyll and Bute Council. Argyll and Bute Council provides administration services to the Trust at no cost to the trust.

Risk Management

The Head of Strategic Finance of Argyll and Bute Council has taken the steps required by trustees to consider the major risks to which the charity is exposed, in particular those related to its operation and finance, and to be satisfied that the systems are in place to mitigate the exposure to the major risks.

Management of Funds and Investment Policy

The Trustees rely upon the expertise of Argyll and Bute Council to manage the investments to ensure the maximum return at least risk to the charity. The investment approach is a moderate risk tolerance with a balanced portfolio to achieve the primary objectives of capital growth and income for awards. In this way, the capital and income stream for the future benefit of the trust is protected.

The Section 95 Officer of the Council (Head of Strategic Finance) is responsible for securing the proper management of the investments of the trust. The day-to-day management of investments is performed by an external firm of stockbrokers under a discretionary agreement.

OBJECTIVES AND ACTIVITIES

The objective of the fund is for the advancement of education for children and young people within the former County of Argyll. This objective is met by the issuing of grants to individuals and organisations.

Robert MacFie - The objective of the fund is for the advancement of education by providing a gold Dux medal to Oban High School

ACHIEVEMENTS AND PERFORMANCE

In the year to 31 March 2017, there were grants made as detailed in note 8 to the financial statements to schools and individuals across Argyll totalling £3,395 (2015-16 £4,520).

FINANCIAL REVIEW

Investments and Reserves

The funds increased by £56,200 (2015-16 decreased by £23,022). The increase was mostly due to re-valuation gain realised on Investments held with CCLA Investment Management Ltd. The reserves of the trust at 31 March 2017 amount to £481,911; £125,063 in unrestricted funds and £356,848 in permanent endowment funds. These funds are held as follows:

	31 March 2017	31 March 2016
	£	£
Stocks and Shares	-	-
Government Bonds	-	-
Bond Funds	-	-
Cash in Investment Portfolio	-	-

	481,911	425,711

Current Assets in Unrestricted Funds	125,063	115,864
Total Funds	481,911	425,711

Over the year, the value of investments increased by £47,001 from £309,847 to £356,848. The Charities original investment fund (COIF) valuation at 31 March 2017 was 25,542.41 units held with a unit value of 1,397.08 pence.

The increase in cash and bank from £115,864 to £125,063 is due to investment income received of £12,352, interest from deposits held with Argyll and Bute Council of £242, less grants awarded of £3,395.

Reserves Policy

Unrestricted free reserves at 31 March 2017 were £125,063. The Trust has no explicit reserves policy, but the “capital” of the trust is held effectively as a permanent endowment for capital growth and to provide an annual income. Income only from the investments may be distributed on an annual basis to ensure that the original funds grow over time. No specific targets have been set. Any unspent income net of all expenses is held in the unrestricted funds and is available for the objectives of the trust.

Income and Expenditure

The Statement of Financial Activities on page 11 provides an analysis of the income and expenditure for the twelve months to 31 March 2017.

Income for the year amounted to £12,594 (2015-16 £11,076). Expenditure was incurred on grants awarded of £3,395 (2015-16 £4,520). There was a realised gain of £47,001 in 2016-17 (2015-16 Nil) for changes in the market value of investments. The Charities original investment fund (COIF) valuation at 31 March 2017 was 25,542.41 units held with a unit value of 1,397.08 pence (31 March 2016 1,213.07p).

FUTURE PLANS

Argyll and Bute Council are continuing to conduct a review of all its charitable trusts with a view to gaining approval from OSCR to reorganise under Section 39-45 of the Charities and Trustees Investment (Scotland) Act 2005 and the 2007 Regulations. Some of the proposals for reorganisation being considered by trustees involve some smaller charitable trusts of the council being wound up and merged into the Educational Trust Scheme. Approval from OSCR has already been received and the Robert MacFie's Trust has been amalgamated with this trust:

TRUSTEES' RESPONSIBILITIES STATEMENT

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards.

The law applicable to charities in Scotland requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business

CONCLUSION

The reserves of the trust increased by £56,200, which mainly was due to investment revaluation. The trust made 22 awards with total value of £3,395 the trust is well placed to continue to deliver its charitable objects for the foreseeable future.

Since 2013-14 an audit is required to be carried out by the appointed auditor of Argyll and Bute Council in accordance with the requirements of the Local Government (Scotland) Act 1973.

The appointed auditor of Argyll and Bute Council is Audit Scotland and the Trustees would like to thank them for undertaking this task.

Independent auditor's report to the trustees of Argyll Educational Trust and the Accounts Commission

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice approved by the Accounts Commission, I do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.

Report on the audit of the financial statements

Opinion on financial statements

I certify that I have audited the financial statements in the statement of accounts of Argyll Educational Trust for the year ended 31 March 2017 under Part VII of the Local Government (Scotland) Act 1973 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005. The financial statements comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the United Kingdom Accounting Standards, including Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In my opinion the accompanying financial statements:

- give a true and fair view of the state of affairs of the charity as at 31 March 2017 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005, and regulation 8 of The Charities Accounts (Scotland) Regulations 2006.

Basis of opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK and Ireland (ISAs (UK&I)). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the charity in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standards for Auditors, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I

believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the trustees for the financial statements

As explained more fully in the Statement of Responsibilities, the trustees are responsible for the preparation of financial statements that give a true and fair view in accordance with the financial reporting framework, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the financial statements

My responsibility is to audit and express an opinion on the financial statements in accordance with applicable legal requirements and ISAs (UK&I) as required by the Code of Audit Practice approved by the Accounts Commission. Those standards require me to comply with the Financial Reporting Council's Ethical Standards for Auditors. An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the circumstances of the charity and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements.

My objectives are to achieve reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK&I) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Other information in the statement of accounts

The trustees are responsible for the other information in the statement of accounts. The other information comprises the information other than the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon except on matters prescribed by the Accounts Commission or required by applicable law to the extent explicitly stated later in this report.

In connection with my audit of the financial statements in accordance with ISAs (UK&I), my responsibility is to read all the financial and non-financial information in the statement of accounts to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by me in the course of performing the audit. If I become aware of any apparent material misstatements or inconsistencies I consider the implications for my report.

Report on other requirements

Opinion on other prescribed matter

I am required by the Accounts Commission to express an opinion on the following matter. In my opinion, based on the work undertaken in the course of the audit the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with the Charities SORP (FRS 102).

Matters on which I am required to report by exception

I am required by The Charity Accounts (Scotland) Regulations 2006 to report to you if, in my opinion:

- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- I have not received all the information and explanations I require for my audit.

I have nothing to report in respect of these matters.

Trustees' Annual Report (continued)

Year ended 31 March 2017

Structure, governance and management

Legal and Administrative Status

The Oban Common Good Fund is regulated by the Local Government Scotland Act 1973. It is registered as a charity in Scotland, and is recognised as a charity for taxation purposes by H M Revenue & Customs

Recruitment and Appointment of Management Committee

The management committee consisted of three councillors who represent the two wards of Oban plus one further councillor.

The councillors are charity trustees for the purposes of charity law and are replaced by their successors during each local government election.

Trustee Induction and Training

Most councillors are already familiar with the work of the charity and attend an introductory meeting with those councillors who continue as trustees to introduce the most recent work of the charity and to introduce current objectives and plans.

Organisational structure

The trustees meet on a quarterly basis to review grant applications and monitor the fund's financial position. The trustees use an agreed distribution policy in order to determine the approval and level of grant assistance made available to the applicant. Approval for grants over £5,000 requires the agreement of all trustees.

The trustees delegate day to day responsibility for the running of the fund to the secretary and fund administrators. The fund administrators were appointed in 2015 following a competitive tender process and are currently Simmers & Co, Chartered Accountants.

Risk Management

The trustees have assessed the major risks to which the charity is exposed, and in particular those related to the finance of the fund, and are satisfied that systems are in place to mitigate exposure to the major risks.

Objectives and activities

The fund consists of a Revenue Account and a Capital Account, with the Capital Account being held in perpetuity with no distribution permitted therefrom without the prior consent of Argyll & Bute Council as parent body.

The Revenue Account represents income available for distribution and the Capital invested in perpetuity derives an annual investment income which is available for distribution annually once associated fund costs have been accounted for.

The objectives are to administer the fund having regard to the interests of the inhabitants of the town of Oban. A comprehensive distribution policy provides a framework for grant distributions.

Oban Common Good Fund

Trustees' Annual Report *(continued)*

Year ended 31 March 2017

Achievements and performance

The Fund agreed to the distribution of £39,070 in grants as detailed in Note 6 on page 15 of the financial statements. Projects support covered a wide spectrum of community activity in Oban arts, sports, economic development and cultural heritage. In the current climate of severe financial constraints, the Trustees recognise that there will continue to be substantial pressures placed on the Fund in terms of the number of applications, which must be balanced against the income to the Fund, which is subject to the vagaries of the stock market. In terms of this latter issue, the investment funds were managed by CCLA for Charities to increase the ethical approach to investment whilst maintaining a positive return.

Financial review

Reserves policy

The Oban Common Good Fund invests the capital account in perpetuity in order to generate investment income to distribute annually, the balance of undistributed funds in any year is maintained in a revenue account. This can be used to increase the capital account where the return from the capital account investments shows signs of diminishing in real terms value due to the economic climate.

Stated including the revaluation reserve, the restricted (Investment and Capital) Funds amounted to £4,789,014 and the unrestricted (Income/ Revenue) funds amounted to £320,501 at 31 March 2017. Included within capital funds is property with a net book value of £3,606,120.

Plans for the future

For the foreseeable future, the trustees intend to continue to manage the fund for the benefit of the Oban area by supporting projects qualifying for funds.

Trustees' responsibilities statement

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards.

The law applicable to charities in Scotland requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

Oban Common Good Fund

Trustees' Annual Report (continued)

Year ended 31 March 2017

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees' annual report was approved on 19 September 2017 and signed on behalf of the board of trustees by:

Oban Common Good Fund

Independent auditor's report to the trustees of the Oban Common Good Fund and the Accounts Commissions

31 March 2017

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice approved by the Accounts Commission, I do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.

Report on the audit of the financial statements

Opinion on financial statements

I certify that I have audited the financial statements in the statement of accounts of the Oban Common Good fund for the year ended 31 March 2017 under Part VII of the Local Government (Scotland) Act 1973 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005. The financial statements comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the United Kingdom Accounting Standards, including Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In my opinion the accompanying financial statements:

- give a true and fair view of the state of affairs of the charity as at 31 March 2017 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005, and regulation 8 of The Charities Accounts (Scotland) Regulations 2006.

Basis of opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing in the UK and Ireland (ISAs (UK&I)). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the charity in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standards for Auditors, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the trustees for the financial statements

As explained more fully in the Statement of Responsibilities, the trustees are responsible for the preparation of financial statements that give a true and fair view in accordance with the financial reporting framework, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The notes on pages 11 to 19 form part of these financial statements.

Oban Common Good Fund

Independent auditor's report to the trustees of the Oban Common Good Fund and the Accounts Commissions

31 March 2017

Auditor's responsibilities for the audit of the financial statements

My responsibility is to audit and express an opinion on the financial statements in accordance with applicable legal requirements and ISAs (UK&I) as required by the Code of Audit Practice approved by the Accounts Commission. Those standards require me to comply with the Financial Reporting Council's Ethical Standards for Auditors. An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the circumstances of the charity and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements.

My objectives are to achieve reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK&I) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Other information in the statement of accounts

The trustees are responsible for the other information in the statement of accounts. The other information comprises the information other than the financial statements and my auditor's report thereon. My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon except on matters prescribed by the Accounts Commission or required by applicable law to the extent explicitly stated later in this report.

In connection with my audit of the financial statements in accordance with ISAs (UK&I), my responsibility is to read all the financial and non-financial information in the statement of accounts to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by me in the course of performing the audit. If I become aware of any apparent material misstatements or inconsistencies I consider the implications for my report.

Report on other requirements

Opinion on other prescribed matter

I am required by the Accounts Commission to express an opinion on the following matter. In my opinion, based on the work undertaken in the course of the audit the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with the Charities SORP (FRS 102).

The notes on pages 11 to 19 form part of these financial statements.

Matters on which I am required to report by exception

I am required by The Charity Accounts (Scotland) Regulations 2006 to report to you if, in my opinion:

- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- I have not received all the information and explanations I require for my audit.

I have nothing to report in respect of these matters.

Oban Common Good Fund

Notes to the Financial Statements

Year ended 31 March 2017

1. General information

The charity is registered charity in Scotland and is unincorporated.

The address of the principal office is Argyll & Bute Council, Kilmory, Lochgilphead, PA31 8RT.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.

The notes on pages 11 to 19 form part of these financial statements.

Oban Common Good Fund

Notes to the Financial Statements (*continued*)

Year ended 31 March 2017

- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Freehold property - Straight line over 30 years

Oban Common Good Fund

Notes to the Financial Statements (*continued*)

Year ended 31 March 2017

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.
