## School Profile 2017/2018

<b><u>School Name</u></b>	Lochgilphead High School
<b><u>School Address</u></b>	Lochgilphead Joint Campus, Kilmory, Lochgilphead PA31 8AA
<b><u>Head Teacher</u></b>	Ann Devine

Lochgilphead High School is part of a 3-18 campus and benefits from a stunning location overlooking the loch. We have excellent outdoor facilities and lots of safe forestry land around us which give extensive opportunities to promote health and wellbeing and wider achievement.

The core values of the campus are: respect, achievement, fairness and happiness and we strive to work with parents and the wider community to help every pupil fulfil her or his potential. We have a skilled and dedicated group of staff, both teaching and non-teaching and, we believe, the most friendly, polite and pleasant pupils in Argyll.

Our ethos reflects our values, with an emphasis on encouragement, high expectations and the development of personal responsibility and self-discipline. We maintain the focus on academic attainment – and always will – while also building a curriculum delivering a range of courses which help pupils to become well-rounded individuals who can contribute to society and achieve personal fulfilment.

We have fully embraced *Curriculum for Excellence* and have now fully implemented the new national qualifications, the fruition of a huge amount of work by teachers over a number of years. We see almost all of our pupils leave to a positive destination, many of whom keep in touch with members of staff for several years after leaving us, demonstrating the strength of the relationships between staff and pupils which is such a vital part of the success of the school.

## **Footnotes**

Data will be anonymised to protect individuals where there are fewer than 5 pupils and or presentations.

**SQA** Please note that this data is based on current interim results. It does not take into account any updated results due to the SQA Post Result Services and therefore this data could change and is not reflective of leavers exit qualifications which are cumulative. Insight data is updated at the end of February that results post-results service outcomes.

<sup>1</sup> SQA Performance data was collected on 23<sup>rd</sup> November 2015 from SEEMiS Vision. Information previously provided in the SQA Authority Analysis reports for Committee will differ slightly to information provided here in order to ensure consistency of approach in collating data for comparative purposes.

<sup>1a</sup> Please note that some schools operate a positive presentation policy whereby they present students, if at all possible or at parental request for higher units however this can impact both the percentage pass rate and the level of awards. Therefore care must be taken when comparing number of presentations to the percentage pass rate.

<sup>2</sup> Results up to and including 2012/13 national percentages were sourced from the Annual Statistics Report 2013 (available only as whole percentages). National percentages grades A-C for 2013/14 came from Attainment Statistics (December) 2014. National percentages for 2014/15 and grades A-D for 2013/14 came from Attainment Statistics (August) 2015. Documents produced by SQA.

<sup>3</sup> 2013/2014 was the first year National 4 and National 5 Qualifications were offered as part of the SQA diet. Therefore no performance data is available prior to this date. 2014/2015 was the last academic year that Intermediate 1 and Intermediate 2 qualifications were offered as part of the SQA diet of examinations. They have been superseded by National 4 and National 5. Standard Grade qualifications were offered for the last time in 2012/2013 and were superseded by National 4 and National 5.

<sup>4</sup> SLDR data is published by Skills Development Scotland (SDS) on behalf of The Scottish Government. The year runs from 1<sup>st</sup> August to 31<sup>st</sup> July each year and the data is collected on the 1<sup>st</sup> Monday in October each year. The data shown in this profile is the initial data collected.

<sup>5</sup> Clothing and Footwear Grant (CFG) is not shown as a National Average as each authority set their own criteria and therefore cannot be compared accurately. Figures are based on census roll figures.

<sup>6</sup> National Averages for FSM have been taken from Summary statistics for attainment, leaver destinations and healthy living, June 2017 Edition,

<sup>7</sup> Attendance, Absence and Exclusion information is now collected on a biennial basis by Scottish Government. Data was collected in August for session 2016/17 and has not yet been published.

<sup>8</sup> Please note that Attendance and Exclusion data can only be compared over a 4 year period as academic session 2017/18 is not yet complete and therefore the data for the current session may change and has not been included. The 4 year percentage change compares 4 full years. Information prior to 2016/17 was extracted from SEEMiS Vision. Data from 2016/17 is extracted from the SEEMiS Business Intelligence Reporting tool.

<sup>9</sup> Authorised absence includes bereavement, short – term exceptional domestic situations, religious observance, weddings of immediate family. Unauthorised absence includes truancy, unexplained absence and most family holidays during term time. Attendance and absence is outlined in Management Circular 3.03.
