CORPORATE PLAN (2018–2022)

Welcome

The landscape in which we deliver our services is changing. We must transform how we work so that we can deliver the services our communities need and the prosperity the future of Argyll and Bute depends upon.

We have considerable challenges to meet – declining funding for our services, economic dependence on the public sector, and an aging population.

Argyll and Bute however is recognised as one of Scotland’s most promising regions, and we are ambitious for our future and for the future of our young people in Argyll and Bute.

Prosperity is here to be achieved and this Corporate Plan sets out clearly how we will deliver on that shared ambition with our partners.

Our values underpin all that we do and we are proud to have a workforce that is Caring, Committed, Collaborative and Creative. These values give us a sound basis to achieve the transformation that will ensure we meet the challenges of the future and deliver the quality services that our communities and citizens deserve.

Councillor Aileen Morton
Leader of Argyll and Bute Council

3.0 Getting it Right

Our people have a vital role in the delivery of our corporate plan and we recognise that we have to create the right environment to enable them to deliver and continue to improve our front line services. Our People Strategy and Corporate Workforce plan outline in more detail how we will do this. Our support services assist front line services to make sure that we get it right for our communities and citizens, so will support the delivery of our priorities by:

- Ensuring our structure and systems make our council high performing

- Ensuring equality of opportunity for all and contributing to a sustainable future.

4.0 Measuring our Success

Our Performance and Improvement Framework (PIF) is focused not just on measuring what we do but on measuring the difference we make in terms of our outcomes. Right through from our Strategic Outcomes, through our Business Outcomes to our individual objectives, we all have a focus on the difference we make.

Our PIF sets out the framework through which our performance against key objectives is regularly reviewed by senior managers and elected members. At a strategic level performance is scrutinised through our Strategic Committees and more locally at our Area committees. The Audit and Scrutiny Committee, which meets four times a year has a key role in reviewing and scrutinising how we are meeting our strategic objectives.

Our Performance is reported through scorecards which are reviewed at team and service level as well as Council and Departmental level. These are reviewed at Council meetings and are available on the Council's website, www.argyll-bute.gov.uk/council-and-governance/performance
