

## Oban, Lorn and the Isles Area Community Planning Group

Timetable for Area Community Planning Action Plan items

9th May 2018

### Background

The Oban, Lorn and the Isles Area Community Planning Action Plan was signed off in October 2017 and work has been ongoing to determine how the actions will be progressed and presented to the Area Community Planning Group.

### Recommendation

The Area Community Planning Group is asked to agree the timetable for those items listed and note that those currently not scheduled into an upcoming meeting will be when an appropriate timescale has been agreed with those involved in the action.

### Detail

Table 1 – an overview of the proposed timetable within upcoming meetings.

Table 2 – those to be defined and scheduled into meetings.

Table 1: Proposed timetable

Area Community Planning Group meeting	Actions to be discussed at meeting
August 2018	Investigate transition between children and adult disabled services, and set up focus group.  Evaluate out of hours health and social care provision on the islands
November 2018	Promote the work of the police on the islands  Improve the infrastructure at Craignure Harbour
February 2019	Upgrade of Kirk Road as part of Dunbeg masterplan  Identify where small business units could be sited and supply  Encourage communities to support motorhome, touring caravan and camping facilities and promote marketing around these
May 2019	Investigate road transport issues and develop solutions for Oban town centre
August 2019	To be determined
November 2019	To be determined
