# Community Planning Partnership Annual Report 2017-2018

## 1.0 Purpose

Management Committee members are presented with this report so that input can be provided for the CPP Annual Report 2017-2018 and that scrutiny can be enabled for the performance elements of the Argyll and Bute Outcome Improvement Plan.

## 2.0 Recommendations

The Management Committee are requested to consider the case studies proposed under each outcome provided below and advise on any additional or alternative case studies for inclusion in the Annual Report 2017/18.

The Management Committee are also requested to consider the performance information for each of the six outcomes which are published separately to the Annual Report, and found on the council website.

## 3.0 Background

The CPP is required by the Scottish Government to produce an annual report showing the activities of the partnership and the progress being made towards the overarching purpose of the Argyll and Bute Outcome Improvement Plan: "Argyll and Bute's economic success is built on a growing population".

Previous annual reports have been created using a case-study approach with separate performance information and this has been received positively by the community and by partners.

## 4.0 Proposals for Case Studies

Listed below are the proposals for case studies for each of the outcomes, submitted by members of the six Outcome Delivery Groups. The Management Committee is requested to review the list below and advise whether there is alternative or additional case studies which should be incorporated into the annual report.

Each outcome should ideally have no more than three case studies.

#### Outcome 1: The economy is diverse and thriving

- European Marine Science Park Business Cluster
- Food and Drink Promotional Activities
- Oban as a University Town
- Inveraray CARS celebrates completion

#### Outcome 2: We have infrastructure that supports sustainable growth

- Electric Vehicle Sharing between Argyll College UHI and Police Scotland
- Dunbeg's innovative housing
- Fibre Boost Sails into Rhu
- Community Minibus in Islay
- Event Safety

#### Outcome 3: Education, skills and training maximises opportunities for all

- Argyll College UHI enrol first cohort of students in the college's newest learning Centre in Kirkmichael, Helensburgh
- Argyll College UHI extends Modern Apprenticeship Provision to the following sectors: Catering & Hospitality, Hairdressing, Health & Social Care, Horticulture, Aquaculture, Business & Admin, Retail & Customer Services
- First cohort of PGDE secondary teachers complete their course in 2018, supplementing the provision of PGDE for Primary Teachers

#### Outcome 4: Children and Young People have the best possible start

- Police Scotland Youth Engagement Officers
- Scottish Fire and Rescue Service Mentoring Scheme for Looked after and Accommodated Children
- Cool2Talk online support for young people

#### Outcome 5: People live active, healthier and independent lives

- Education 4 Life, and 'GROWS' (gaining real opportunities and work skills) courses provide the opportunity for students with learning support needs to access part time and full time education, social and become more independent
- Strachur Hub Model
- Protecting the vulnerable – debt counselling/welfare rights
- 1000 Voices – Social Support (previously featured in 2016-17 annual report)
- Falls Prevention Activity (previously featured in 2016-17 annual report)
- Physical Activity in the Outdoors

#### Outcome 6: People live in safer and stronger communities

- Campaign to End Loneliness, collecting and wrapping more than 500 Christmas Gifts which were distributed to elderly members of the community who may have been living in isolation over the festive period
- The MAKI and Inverness Community Mental Health Triage Service
- New Driver Early Intervention Scheme in Oban
- Helensburgh Young Firefighters

There is also suggestion of a case study on the various work that Islay Community Council is doing which spans across several outcomes and could come under a separate section on “Communities taking the lead”.

The annual report also has a feature on prevention activity and can be drawn from additional case studies or from the above suggestions.

## 5.0 Performance Information

Each of the six outcomes of the Argyll and Bute Outcome Improvement Plan has a suite of performance indicators which inform the CPP as to whether the collective work of partners in Argyll and Bute are making a positive input to the overall aim of “Argyll and Bute’s economic success is built on a growing population.”

Each outcome’s performance information can be found on the council’s webpage for community planning within the performance information section: <https://www.argyll-bute.gov.uk/council-and-government/community-planning-partnership>. Data is sourced from nationally collated indicators where possible. The data will be shown over the lifetime of the ABOIP: 2013-2023.

## 6.0 Conclusions

Suggestions of case studies for the annual report have been received. The Management Committee is requested to review the suggestions and advise of additional or alternative case studies to be incorporated into the annual report.
