Hi Lynsey,

On behalf of the McCorkindale School of Highland Dancing, I write to thank the Kintyre Youth Fund and Campbeltown Common Good Fund for the most generous donation to our Fundraising account. In my 43 of teaching, this will be the biggest, and most ambitious project I will have undertaken.

The dancers are currently working hard to represent, and make Kintyre proud, when they take part in the American Highland Dancing Championships in July 2019.

Once again, my grateful thanks. Your support of our project is very much appreciated.

Kind regards,
James
