22nd December 2018

Dear Melissa

Many thanks for your letter of 18th December with notification of the award from the Oban Common Good Fund for £6,000. On behalf of the directors of the cinema, we would like to thank you for this generous award and the support it demonstrates for this community-owned enterprise.

We have also been successful in funding from the Crerar Trust to the tune of £22,000. At the last director's meeting on 12th December, the board agreed to use £3,320 of this for the activities as outlined in the application to the Common Good Fund. I can therefore confirm that the project is now fully funded.

We would like to commence work in January 2019 and anticipate that work will be complete by the end of February. We will be holding a launch event shortly thereafter to celebrate these improvements and our refocussing on our core activities. Formal invitation will follow.

Many thanks again on behalf of everyone at the Oban Phoenix

Yours sincerely,
