

CRUACH MHOR WINDFARM TRUST

REPORT TO ARGYLL AND BUTE COUNCIL BUTE AND COWAL AREA COMMITTEE

JUNE 2019

As the accounts show, this has been a very busy year for the Trust. It was decided at the beginning of the year that the student grant maximum would rise to £1000 and the uptake has been very encouraging. And the younger children attending Kilmodan Primary do not miss out and strong support is always given to the local school.

We do realise this is the first year the pay-out of grants has exceeded the income, but this is of no concern as every application is given careful scrutiny and is justified and therefore is being used for the purpose of improving our very active community.

At our recent AGM, which was attended by a representative of Scottish Power, Mr Tom Mowat retired from the position of Secretary/ Treasurer after 15 years and we extend our thanks to Tom for his work and dedication to the position over the years.

We would also like to extend our thanks to Scottish Power and Argyll and Bute Council for their continuing support.

Alex McNaughton, Chairman, Cruach Mhor Windfarm Trust.
