**2. INTRODUCTION**

- 2.1 When considering the future of a rural school the Education Authority must meet the preliminary requirements of s.12A the Schools (Consultation) (Scotland) Act 2010 as amended.
- 2.2 The Council is required to prepare and publish a Proposal Paper which clearly sets out the proposal on which the Council is consulting. The Proposal Paper must include details of the proposed date for implementation, the educational benefits statement, a summary of the consultation process and details of the supporting evidence or information used to formulate the proposal.
- 2.3 The 2010 Act also requires that at the close of the consultation process, Education Scotland must consider the educational aspects of the Council's proposal and prepare and submit a report to the Council for consideration by the Council when preparing its final Consultation Report.
- 2.4 The Council is then required to prepare and publish its final Consultation Report taking into consideration the report from Education Scotland and all other responses received within the consultation period.
- 2.5 The Consultation Report must explain how the Council has reviewed the proposal, a summary of the points raised during the consultation period and the Council's response to them, details of any alleged inaccuracies or omissions, and, for rural schools, an assessment of the rural school factors.
- 2.6 The Council will then make a decision on whether or not to implement the proposal.

#### **4. DETAIL**

- 4.1 This report provides details of the outcome and findings of the statutory consultation exercise undertaken in respect of the formal proposal to close Ardchattan Primary School as detailed in the published Consultation Report (Appendix A); and in accordance with the relevant provisions of the Schools (Consultation) (Scotland) Act 2010 as amended.
- 4.2 In accordance with the Schools (Consultation) (Scotland) Act 2010 as amended, a report was produced by Education Scotland on the educational aspects of the proposal (Appendix B). The Education Scotland Report supports the proposal in that it has clear educational benefits for current and future pupils of Ardchattan Primary School and the local community; the strong support from stakeholders; lack of viability due to insufficient children within the catchment area; and the delivery of best value. Argyll and Bute Council are committed when taking forward the proposal to work with the Ardchattan community to develop a sustainable community facility via a possible community asset transfer as per Education Scotland's findings.
- 4.3 Having considered the report from Education Scotland and all other responses received within the consultation period, officers carried out a further review of the proposal and a Consultation Report was thereafter prepared and published for public scrutiny on the Council's website ([www.argyll-bute.gov.uk](http://www.argyll-bute.gov.uk)) from 15<sup>th</sup> August 2019. This provided a full three week period prior to a final Committee decision on Thursday 5<sup>th</sup> September 2019, in compliance with Section 9 (3) and Section 11 of the 2010 Act as amended.

#### **5. CONCLUSION**

- 5.1 The Consultation Report for Ardchattan Primary School has been prepared in accordance with the requirements of the Schools (Consultation) (Scotland) Act 2010 as amended.
- 5.2 Following the outcome of the statutory consultation exercise detailed in the Consultation Report (Appendix A), having due regard to relevant written and oral representations as well as Education Scotland's Report, and following a further review of the proposal and reasonable alternatives having regard to the rural school factors, it is recommended that the decision is made to implement the proposal that education provision at Ardchattan Primary School be permanently discontinued; the pupils of Ardchattan Primary School's catchment area continue to receive their education at Lochnell Primary School on a permanent basis; and the delineated catchment area of Lochnell Primary School be permanently extended to subsume the whole delineated catchment area of Ardchattan Primary School with effect from 31<sup>st</sup> October 2019.
