Dear Hazel

We are writing to formally object to application number 19/01061/PPP, Appeal LRB 19/0007/LRB once again.

This is in the countryside zone, where there is a presumption against new development unless it is in an infill and rounding of site. This application is clearly neither of these and should therefore be refused.

Regards

Daniel Braid and Joanne MacLean of Gleann Fia, Baliscate, Tobermory, Isle of Mull, PA756QA.
