The fares were last reviewed by members on 24th October 2018 and took effect on 22nd April 2019. 3. DETAIL

- 3.1** Section 17 of the Civic Government (Scotland) Act 1982 states that “the licensing authority must fix scales for the fares and other charges within 18 months beginning with the date on which the scales came into effect”. In terms of the last review the fares came into force on 22 April 2019. The next fares scale will need to come into force in October 2020. Therefore the review process would require to commence in April 2020.

- 3.2** The current fares are:
Tariff 1 £3.00
Tariff 2 £3.60
Tariff 3 £4.20

Charges in respect of soiling, waiting and telephone bookings remain as £100 (maximum), 35p per minute and 30p respectively;

No changes were implemented to the yardage distances which are currently based on an initial charge as follows:-

Tariff 1 - 860yds and a subsequent charge of 20p for each additional 176 yards

Tariff 2 - 860yds and a subsequent charge of 20p for each additional 150 yards.

Tariff 3 - 860yds and a subsequent charge of 20p for each additional 120 yards.

These fares were originally fixed from 9th June 2014. Following the conclusion of the last 3 reviews of taxi fares held in 2015, 2017 and 2019 it was agreed that there would be no increase in the maximum taxi fares. As previously stated this took effect from 22nd April 2019.

- 3.3** In terms of Section 17 of the Act in carrying out a review of taxi fares, the licensing authority must –
