Road, Rhu, Helensburgh, G84 8LH [OFFICIAL])

Fiona,

As before, I do not object, but do have some comments regarding the proposed parking. The proposed location for 8 cars is insensitive, as it will affect the privacy and amenity of our rear garden to have car parking, and the associated movement of vehicles and people, in the position proposed. Given that it would be possible to achieve the same number of spaces in almost any other part of the property without affecting our amenity at all (between the house and Pier Road being the most obvious location), I feel that other options should be explored first, with the currently proposed option only being consented if others are demonstrated to be unacceptable.

Please can you confirm that this comment has been received (or let me know if I need to submit them in another way)?

regards,

Mary Fisher
